Venice Board Acts On Fund Transfers Near End Of Year

The Venice school board transferred \$50,000 from its working cash fund to its educational fund to pay salaries and bills for June, the last month of the fiscal year, during a meeting Monday night.

The working cash fund contains about \$108,000, and it is due about \$22,368 from the bonds and interest fund.

Additional borrowing may be required for July and August if tax money is not received before then.

Gymnasium Seating

The board approved purchase of new metal seat boards for the Venice school gym from Archway Sales Associates, Inc., St. Louis.

Originally, the board planned for 550 lineal feet, and the firm bid \$1991, but one row on each side of the gym is to be eliminated to avoid overcrowding, and John O. Pier, superintendent, is to negotiate a new price with the supplier.

The board voted about \$1800 for the project. Specifications include removal of old wood seats and installation of the metal seats.

Hire Teacher

A year's leave of absence was granted Mrs. Carolyn Daniels, first grade teacher at the Venice school. The board hired Mrs. Elaine St. Louis of University City, Mo., as a speech correctionist. She is a recent graduate of the University of Oklahoma.

The board officially accepted the resignation of Miss Florence Mallette, who retired after 40 years of teaching at Venice grade school.

Twenty-nine gallons of yellow paint and 26 gallons of green paint obtained through Pete Fields, salesman for the Graphite Co., were rejected as unsuitable, and board members complained that painting work is being delayed.

The board discussed other means of obtaining the paint. It was offered to replace the paint with the same product, Pier told the board.

School Supplies

The board decided to install a new acoustical tile ceiling in the speech room at the Venice school where plaster is falling.

A low bid of \$2249 from the Blackwell Wadland Co. for a year's supply of paper was accepted. Allied School Equipment bid \$2473 and Graham's Book Store \$2619. A bid from Tri-angle Typewriter Co. was rejected as it did not meet specifications.

Pier reported a May enrollment of 67 kindergartens, 575 in elementary schools and 215 in high school for a total of 857, an average daily attendance of 91.92%.

He said a state aid claim of \$3,686 was submitted last September on the basis of average daily attendance of 92%, and that the district will be eligible for all of the amount except for \$23. He said he has just filed a driver education claim with the state of \$1536.

Administrative Structure

The board held a lengthy discussion on changes and ratings of office personnel due to a leave of absence, and considered a suggestion by Thomas Foley to establish an assistant superintendent of schools.

Under the plan, there would be one principal for the Venice grade and high schools. Pier said the size of the school district does not warrant an assistant superintendent. No action was taken on the discussion.

Bills approved for May and June total \$29,723 from the education fund, including \$886 in cafeteria bills and \$2441 from purchases; \$2334 from the building fund; \$861 from the transportation fund; and \$1292 from the Illinois Municipal Retirement Fund.

Open House Friday And Saturday At Travelodge

An open house for Quad-Cityans to see the new Travelodge Motel, 19th street and Cleveland blvd. will be conducted Friday and Saturday by the managers, Mr. and Mrs. Nelson Hodger.

Tours of the three-story, 45-unit motel will be conducted every two minutes from 1 to 4 p.m. on the two days, and visitors will be given souvenirs—a valisey bear, balloon to youngsters with their parents, litter bags and directories.

Prizes also will be awarded—a night's lodging for two persons will be given five couples. Refreshments will be served.

The new motel, first in downtown Granite City, features a swimming pool, off-street parking, air-conditioning and an elevator.

John Worthen Elected President Of Jaycees

John J. Worthen, 634 Barkley street, Mitchell, was elected president of the Granite City Junior Chamber of Commerce at a meeting last night at the Knights of Columbus hall.

Worthen, an auditor for Laclede Gas Co., St. Louis, will succeed Alvin Barnes III.

Other officers elected were: Earl Bozauer, first vice-president; Morris Miles, second vice-president; Paul Ziegler, secretary; Marvin Boyer, treasurer; Vic Wetherholt, sergeant-at-arms; Norman Draper, state director; and Grad Krause, James Spinks, Paul Morris, Walter Milton and Pat Thies, directors.

They will be installed at a dinner meeting July 6 at Augustine's restaurant, Belleville.

Milton, chairman, reported on the Miss Granite City pageant to be held at 8 p.m. June 22 in the Granite City high school auditorium. Tickets at \$1 are available from any Jaycee or at the door. Twelve contestants are to meet Sunday at the Big Top bowl.

A progress report was presented by Krause, chairman, on the first annual Granite City Homecoming set Aug. 9-11 at Wilson Park. Frank Arbeiter, chairman, discussed the Jaycees' Big Brother program.

Willie Dempsey, Father Of Resident, Succumbs

Willie Dempsey, 81, of Pinckneyville, father of Mrs. Raymond (Carle) Hoffman of Granite City, died at 9 p.m. yesterday after an illness of several years.

He and his wife, Minnie, were to have celebrated their 51st wedding anniversary next month. Five other daughters and a son also survive. Services will be held at 1:30 p.m. Saturday at the First Baptist Church, Pinckneyville.

Dart, Fish Hook, Falls Injure Five Children In GC

Five youngsters were among those treated for injuries sustained in mishaps Wednesday at St. Elizabeth Hospital.

Kevin Dalton, three-year-old

son of Mrs. Donna Narup, 2324 Lincoln avenue, was struck in the back with a dart yesterday evening, suffering a one-inch puncture near the left kidney. He was admitted. Boys in the neighborhood were throwing at a dart board. One of them missed the board and hit the child.

Sherry Ann DeChia, three-year-old daughter of Mr. and Mrs. Donald Sykes, 2219 Ohio avenue, jumped from a lumber pile and ran a stick down her

throat. She was treated and released.

April Bone, five, daughter of Mr. and Mrs. William Bone, 2401 Glen place, broke a storm door glass with her hand and suffered a laceration to the right side. She was treated and released.

Johnny Stages, three, son of Mr. and Mrs. Russell Stages, 2135 Monroe avenue, caught a fish hook in his lower right leg. He was treated and released.

Carol Druhe, 14, daughter of

Mr. and Mrs. Lawrence Druhe, 2237 Lee avenue, fell down the steps at the YMCA before 6:45 p.m. and was unconscious about 10 minutes. She suffered lacerations to the left side of her head and was bleeding from the left ear. X-rays were taken, and she was admitted.

Trestle Pilings Being Driven At Bi-State Dock

Pile clusters are being driven 50 feet into the ground at the expansion site of the Bi-State Agency dock at the Chain of Rocks canal.

The pilings will provide for an approach trestle at the end of the dock. Col. R. E. Smyser Jr., Bi-State executive director, said. The pile driving work began Tuesday following a delay in obtaining the required permits.

Bi-State is relocating the approach track at the end of the dock. It will permit us to serve the upper 300-feet of dock which now cannot be fully utilized. We will now be able to come in on the lower track and on the upper track," he said, and there will be two approaches.

Work on the expansion has been underway for about six months. The dock will have 900 feet of dock space and an additional 700 feet for mooring facilities. It will more than double the public tugging capacity, from 120,000 to 250,000 tons a year, and will increase the tonnage at the dock area leased to Granite City Steel Co.

The work is being conducted by the Vollmar Brothers Construction Co. of St. Louis on a \$328,827 contract.

Four Youths Named To Premier Boys' State

(Related Story on Page 31)
Four Quad-City youths have been appointed as representatives to Premier Boys' State to be held June 23-29 at the state fairgrounds at Springfield.

They are Wayne Hancock, son of Mr. and Mrs. Willard Hancock, 1 Frontenac lane; Pat Kincaid, son of Mr. and Mrs. E. D. Kincaid, 2243 Cleveland blvd.; Gary Skinner, son of Mr. and Mrs. Charles Skinner, Apt. 22 Grenzer Homes, Madison, and Kenneth McMullin, son of Mr. and Mrs. Henry McMullin, 1033 Third street, Venice.

Boys' State is sponsored by the American Legion. Hancock and Kincaid were selected by Tri-City Post 113 and Skinner and McMullin were named by Venice-Madison Post 307.

They will spend the week learning the fundamentals of state government and will campaign for various political offices, according to Harold Summers, Post 113 commander who is a past Boys' Stateer. They also will visit the Lincoln home and tomb and other points of interest in Springfield.

The boys later will present reports to their Legion posts. Hancock is a president of

WAYNE HANCOCK, son of Mr. and Mrs. Willard Hancock, 1 Frontenac lane, who will represent Tri-City American Legion Post 113 at the Premier Boys State June 23-29 at the Illinois state fairgrounds at Springfield.

Fred Trittschuh Named KC 'Knight Of Year'

Fred Trittschuh, 1736 Ferguson avenue, was designated as the "knight of the year" of Tri-Cities Council 1098 of the Knights of Columbus.

He will be presented with a framed certificate and award at the K. of C. meeting at 8 p.m. next Thursday.

The honor was conferred because of his successful efforts in reactivating the local circle of Columbian Squires, a Catholic youth group sponsored by the K. of C.'s, only this year.

Trittschuh is chief counselor of the circle which already has received a class A rating from the state for its activities. He was a leading member of the original Squires circle here during the 1950's when it was one of the top circles in the nation.

The announcement of the selection was first made by James P. Worthen, grand knight, at a meeting of the Squires Tuesday evening.

Also on the agenda for next Thursday night is the election of officers.

Three Youngsters Hurt In Accidents Tuesday

Three children were treated and x-rayed at St. Elizabeth Hospital Tuesday following mishaps. All were released.

Janey Tinero, five-year-old daughter of Mr. and Mrs. Joseph Tinero, 911 Greenwood street, Madison, suffered an injury to her right wrist when her brother hit her with a baseball bat.

Fatti Nolen, eight-year-old daughter of Mr. and Mrs. John Nolen, 2801 Harding avenue, injured her right wrist when she fell off a bicycle.

Richard Floyd, two-and-a-half-year-old son of Mr. and Mrs. Ronnie Floyd, 620 Ashland avenue, hurt his left hand when a window dropped on it.

Boys Stripping Screens From House, Owner Says

The owner of property in the 2000 block of Elm street complained to Granite City police that boys living in the block were stripping screens from windows and damaging the interior of the vacant house.

Police warned mothers of the boys that if the vandalism was not stopped, the owner would file a complaint.

Today some people live on the theory that anything they can buy on time is cheap.

Maddox Wins 'Play Day' Golf Tourney Third Time

Robert Maddox, local auto dealer, was a third time winner of the Tri-Cities Chamber of Commerce golf tournament during the third annual "play day" on Tuesday at Sunset Hills Country Club.

He was presented with the large traveling trophy for permanent possession and also an individual trophy by Paul Lichtenberger for the trophy—sponsoring First Granite City National Bank and Earl Lewis, tourney chairman.

Edward Juneau, "play day" chairman, announced that attendance was 193 persons, the largest ever recorded for the event.

Awards were presented during the dinner which followed the golfing activities of swimming, fishing, golfing, horseshoe pitching and a gin rummy tourney.

Other golf winners were Jerry Maera, Alvin Cooper, Dan Hochstadt, Wesley Loma, Richard Roderick, Harold Karand, Buddy Johnson, Stephen Maera, and John McBride. Horseshoe pitching awards, presented by Chairman Kenneth Morrison, went to Robert Spenger and Max Legate for singles, and doubles—Ernest R. Bickhaus and Tilford Feldman.

Trades Council Stays Out Of Lawn Dispute

Tri-City Trades and Labor Council delegates, meeting last night at the Labor Temple, voted not to enter into the "judicial dispute" on Granite City school lawn cutting involving the Custodians and the Teamsters unions.

Council President Edwin Reiske said that preceding the meeting of the 61 delegates, the council's executive board met with officials of the Teamsters—Business Agent Arthur Crouch and retired business agent R. D. Webb and the Custodians—Albert Ward Jr., business agent.

"It was more to get the background of the dispute over which union would cut the school lawns on riding-type mowers," Reiske said, "but the council delegates decided not to enter the dispute. If the council does, it will defend the Custodians who are members of the council," he added.

Depot Soldiers Fined For Smashing Window

Two Granite City Army Depot soldiers who were arrested about 3 a.m. Memorial Day and admitted smashing a door glass at a service station were fined \$50 and costs Tuesday.

The soldiers, Lynn Oberhiser, 24, and Ralph Nicholas, 18, were arrested after three small boys, who were camping out for the night in a yard near the service station at 2700 Pontoon road, saw them smash the door glass.

The pair is to pay for the damage to the Schenk & Butler service station, and the year's probation was granted by Judge Magistrate Gasparovic in lieu of 30-day sentences in the county jail.

The three youngsters gave police a description of the soldiers' auto and descriptions of the pair. While police were talking to the boys and their parents, the auto went by the service station and police gave chase, halting the car and making the arrests.

Police Chief Raymond Willard, while declining to name the youngsters, praised them for their alertness and for the detailed descriptions.

Auto Top Slashed
Fred McCollegan, 2232 Lee avenue, complained to police that vandals slashed the top of his auto while it was parked for about 30 minutes Tuesday night in the 2200 block of Washington avenue.

Calls For Halt In 'Waste' Of MFT Funds

Street Chairman Defers Action On 2 MFT Project Bids

Acceptance of bids for two motor fuel tax street improvement projects was deferred Monday night by two Granite City aldermen—halting debate which was developing as Street Committee Chairman G. H. Sternberg was ruled out of order.

Sternberg was giving his opinion on "waste of motor fuel tax funds" in the past when he was halted on a "point of order."

Bids were opened Monday for bituminous surface, curbs and drainage along West 22nd street from Rock road to Leyden avenue and on Leyden avenue from West 22nd to Cayuga street.

The bids were submitted by two firms, with A. H. Sephold Co. the apparent low bidder. The figures were \$38,662 for West 22nd and \$7870 for Leyden avenue. The other bidder, General Contracting Co., submitted figures of \$42,220 for West 22nd and \$7976 for Leyden.

"Upgrade Street Program" when Sternberg paused and then began to outline a program for "upgrading the city's street program," a point of order was called by several aldermen.

Sternberg requested deferment on the bids, and a second request was made by Alderman Charles Moerlein.

Mayor Davis called for a vote on deferment.

Alderman Walter Norn, in whose Fifth Ward the streets are located, called out, "That's an unfair procedure."

The mayor was reminded that two requests for deferment had been made and there was no need for a vote.

Davis then remarked that he didn't care to spend the night listening to aldermen discuss pet projects and ruled deferment with no further debate.

However, before the motion to defer was made, Sternberg manifested his opinion that he was of the opinion the city was wasting money in its motor fuel tax street program merely to get drainage.

His committee is endeavoring to outline a motor fuel tax priority program for street work on major thoroughfares.

He pointed out that he was familiar with one project on the east side of the city where "\$38,000 was spent on a street in order to get \$10,000 worth of drainage."

"I think a good portion of the money was wasted, and we need it badly for other street projects," he said.

The chairman, who is a contractor, explained MFT funds are available only for street work and cannot be used merely to provide drainage. He said the street he was familiar with could have been surveyed and probably graded by the street department to provide adequate drainage.

Norn said the West Side should have something to say about the sewer repair since the bill would be paid from general tax funds.

He was answered by Paul Rutledge, who said he had studied motor fuel tax expenditures in the past 10 years and 30% of the city MFT funds had been spent in Norn's ward.

Alderman Mrs. Gabrielle Belnece at this point asked Sternberg's committee to study the need for a 30-minute parking zone at a confectionery at 2900 Iowa street.

However, Norn was not finished. He asked Sternberg to tour West Granite and note the lack of sanitary sewers in the 2200 block of Nevada avenue, Rock road and West 22nd street, 3000 blocks of West 20th and Denver streets and the 2900 block of Cayuga street.

Sewer Need Under Study

Alderman Donald Partney said North Granite also was without sewers and that Norn's locations and North Granite were being studied by the Pollution Study committee.

Status of a drainage need study on 23rd street at Adams street and at Cleveland blvd. was sought by Alderman J. D. Bergfield. Sternberg replied the committee was at work but had not had an opportunity to complete the study.

Also pertaining to the Street Committee, Alderman Ford Johnson asked City Atty. George Flicoff Jr. to report on the status of securing the right-of-way for a section of Johnson road from Nameoki township.

Flicoff said the township had a sewer line under the roadway and had not yet reached a decision to give Granite City an easement for maintenance of the roadway or if the roadway should be relinquished to the township for sewer maintenance.

Subject To Legal Opinion

Secretary Hired For GC Plan Group, Inspectors

Appointment of a \$275-a-month secretary for the Plan Commission, Zoning appeals board and city inspectors was debated at length before being approved with a limitation Monday night by Granite City council members. The appointment is subject to an opinion by the city attorney on legality of filling the position before the new city budget is approved.

Named to the post by Mayor Davis, acting on a recommendation of the Personnel Committee, was Mrs. Velma Zang, 2455 Illinois avenue, whose appointment would continue to April 30, 1965.

It was brought out in the discussion that the Plan Commission has only \$300 remaining in its account until the new budget is set. Other aldermen questioned the legality of hiring a full-time secretary without a resolution or without provisions in the budget.

Alderman Mrs. Gabrielle Belnece commented that the City Hall committee, rather than the Plan Commission, had acted on previous hiring of secretaries.

Mayor Davis replied he wanted to get a secretary hired to start the fiscal year and that he was subject to the legal opinion.

When Alderman Steve Basarich asked why the city had not advertised for a secretary, Partney said the committee had interviewed four applicants.

He added that he had been advised by the city attorney that a resolution would not be needed to establish the position since it had been made a part-time job. It was Alderman Paul Rutledge and the mayor who suggested the council proceed with a vote, subject to the legal opinion.

However, before the vote was taken, Mrs. Belnece said she wanted to advise new council members that no official action could be taken at a chairman's meeting, and that any decision made during those meetings was to be presented to the full city council for approval or rejection.

In the voting, "yesses" were recorded for Alderman Norn, Basarich and Bartoski; while there were "aye" votes by Partney, Rutledge, Whitmer, Mrs. Belnece, Johnson, Bergfield, Boyd, Dallas, McGee, Moerlein, Sternberg and Thompson. Absent was Alderman Skushish.

Public Hearing July 18 On Levee Sewage Plant

The East Side Levee & Sanitary District will hold a public hearing July 18 on its proposed construction of an \$826,300 sewage treatment plant in Centerville township.

The 10 a.m. hearing will be held in the levee district building at 2642 McDaniel avenue, East St. Louis.

The treatment plant will be a sanitary trunk sewer line presently being constructed in Cahokia as part of the levee district's plan of pollution abatement.

The sewage treatment system proposals, including trunk sewer line extensions, would be maintained and operated by the levee district after completion of construction.

Bond Issue Involved

It would handle sewage from the entire area of Centerville township with the exception of the village of Bensenville. Financing would be by a \$625,000 general obligation bond issue and an estimated \$207,300 federal aid. The districts estimates \$611,800 as the actual construction cost, with legal fees, engineering costs, contingencies and interest during construction adding \$151,155 and engineering costs another \$3,245.

Rates to users of the system, also estimated, would vary from \$15 per month for single family domestic accounts (less than 7500 gallons of water per month) to \$100 per month for accounts using 1,250,000 gallons or above per month.

Dispute Over Contract

On May 8, levee district trustees awarded a \$349,500 contract for construction of the treatment plant pumping station to the Chase Co. of Harbor Wood, Mich., low bidder on the project. The successful bidder on the same date had asked to be allowed to withdraw the bid, claiming that about \$26,000 in bid terms had been omitted from the total figure through a book-keeping error.

The levee district is being prevented from holding the firm to its contract by a temporary restraining order, and a suit to void the contract has been filed by company president William K. Chase in East St. Louis Federal District Court.

A hearing on the temporary injunction is scheduled tomorrow.

Free X-Rays Provided

Next Week At 4 Places

The mobile x-ray unit of the Madison County Tuberculosis Association will be on hand at four area locations next week to provide free chest x-rays to the public.

It will be at the Venice city hall from 9:30 a.m. to 12:30 p.m. Tuesday, at the Ira King grocery store, Weaver street, West Madison, from 4:30 to 6 p.m. Thursday, at the Bellemeville Village shopping center from noon to 4 p.m. Friday, and from 9 a.m. to 3 p.m. Friday, June 14, and at the Granite City hall from 9 a.m. to noon and 1 to 5 p.m. Saturday, June 15.

A person having a negative x-ray report will receive a card through the mail. All x-rays noting a chest condition are referred to the private physician indicated by the individual. Such persons will be notified and should contact their physicians, the association said.

The x-ray unit is to make one more appearance locally this season, at the Granite City hall from 9 a.m. to noon and 1 to 5 p.m. June 22.

Eagle Park Dinner Set For Water Line Service

The Eagle Park Improvement Association will hold a dinner beginning at 11 a.m. Saturday at the Canaan of Gallies Baptist Church, 307 Allen street, Eagle Park Acres, to help finance installation of water lines into the community.

Chicken, fish and barbecue will be served. Tickets are \$1 a plate and carry-over orders will be available. Orders may be made by phoning GL 1-9798.

Cleveland Johnson, association president, reminded that only 24 days remain before the June 30 deadline to obtain service.

He urged property owners who have not done so to make \$103 deposits to the fund at the First National Bank of Madison and asked those who have made their deposits to help another \$20 if they can do so. He said more than \$13,000 is now on deposit.

POR MISS SELLERS
Miss Barbara Sellers, daugh-ter of Mr. and Mrs. Frank Sell-ers, 1809 Rhodes street, was surprised with a bridal shower held in her honor Sunday after-noon at the Polish hall in Madis-on.

The shower arrangements were made by her aunts and bridesmaids.

The hall was attractively de-corated, using white and yel-low, the colors to be used in the wedding. A bride doll adorned the table.

Gifts were placed on a de-corated table and were opened by the honoree and her brides-maids, Miss Diane Sellers, her sister, and Miss Charlotte Lewis.

The flower girl, a niece of the bride helped with the ribbon. Miss Sellers is to become the bride of Dennis Trester of Chi-cago on June 29.

Those attending were Mes-dames James Blane, Marie Star-Gloria Sellers, Estelle Perkins, Juanita Helms, Sandra Cross, Chahale and daughter Debbie Pop-ocachak, Betty Jackson, Helen Jenenski, Alice Kopycz, Lor-valine Grimes, Peggy Slover, Melia Jones, Dot Konieczny, Julia Kalka, Nellie Danahille, Connie George, Joseph Kon-ieczny, Leona Konieczny, Ann Santen and Mary Santen, Bonny Cagle, Ellen Winters, Tena Theobald, Marilyn Wondra and Pat McCosky.

Refreshments were served by the hostesses, with prizes being awarded for various games.

CHURCH CLASS TO

CHURCH MEETING NIGHT
Mrs. Clara Lux was hostess to the Peppy class of the First Presbyterian Church in her home, 1637 Third street, Tues-day evening. Miss Irene Hackett, vice-president, conducted the monthly meeting in the absence of the president.

A bake sale is to be held June 22. During the business meeting, it was announced that there will be no meeting held during July and August. The date set for the next meeting is Sept. 21.

The meetings will be held on the second Wednesday of the month, for the remainder of the class year. In the past, they have been held on the first Tuesday of each month.

At the conclusion of the busi-ness period, games were played, with Misses Hackett and Dor-othy Hinson, Mrs. Blanche Mc-Brian, Mrs. Joyce Walker and a guest, Mrs. Charity Ackerman of East St. Louis as prize win-ners for the evening. Other members taking part were Mrs. Hazel Hinson and Mrs. Gladys Zeigraff.

The hostess served refresh-ments prior to the adjournment.

BIBLE STUDY BY

LOYAL WORKERS
The Loyal Workers class of the First Baptist Church met Monday evening at the home of the teacher, Mrs. George James, 1619 Second street.

Miss Sharon Chapman, pres-ident, presided over the meeting and read eight verses of the 11th Psalm. The teacher led the group in prayer at the conclu-sion of the Bible reading.

The group sang the class song, "He Arose," with 30 minutes being devoted to the study of books of the Bible. Games were enjoyed prior to serving of refreshments.

Members present were Bar-bara Wood, Debbie Gravelle, Lin-da McMurray, Ann Beasley and the secretary, Emma Jean Whit-croft.

4-H Club Is Selling Safety Alert Flags

The Tri 4-H Club, meeting at St. John's United Church of Christ, Tuesday evening, made plans to distribute safety posters in the downtown area this Sat-urday for the Granite City Safety Council.

The girls are also busy selling safety alert flags for the council to be placed on auto radio serials during holiday driving.

The business meeting was con-ducted by the president, Diana Tadlock, in keeping with safety week the roll call was answered with a safety rule.

Laura Massie displayed a first aid kit and explained the use of each item. Linda Kuntz gave a talk on water safety and Judy Friedman explained the use of sewing machine attachments.

The games were planned by Cynthia and Claudia Tonnor. Re-freshments were served by Laura and Barrie Massie.

Tourney Sideights

Southeastern conference schools have reached the finals of the state tourney nine times in the past 22 years, and have won the crown on six of those occasions.

Belleville was the last SWC winner (1954), and the Maroons have won more state championship ships (four) than any other school since the IHSA began conducting the tourney in 1940. Belleville won in 1940, 1947, 1948 and 1954, Collinsville in 1941 and Granite City in 1948.

Wood River reached the title game in 1961, but was smashed 24-0 by Morton of Cicero, Ill., lost to Pekin 11-5 in the 1951 championship game, and East St. Louis was beaten 4-2 in the 1945 finals by Morton.

Granite City's second trip to Peoria came in 1950, but the Warriors were shut out in a five-inning game by Ladang, 10-0.

Of the eight finalists at Peoria today, only three have won the Illinois championship previously. They include Granite City, Main West of Des Plaines (1958 and 1959) and Chicago Shurz (1955).

Peoria Central, which was to meet Maine West in this morning's second game, is making its seventh try for a title. Central came close in 1941, losing the title game to Collinsville, 10-8.

Man Fined \$30
Ken Wickham, 48, was fined \$30 by Police Magistrate Andrew Gasparovic on a charge of being drunk and creating a disturbance at Ellen's Trailer Court where he lives. He was arrested at 10:30 p.m. Tuesday at 23rd street and Washington avenue.

Pitching Depth Could Be Big Factor In Warriors' Search For State Baseball Title

Granite City set out in search of the Illinois prep baseball title this afternoon, needing an opening round victory from pitcher Charlie Papp to reach the final day of play Friday and perhaps make a Warrior forte—pitching balance and depth—felt when the going gets toughest in the single elimination finals at Peoria.

Coach Joe Fedora's club (23-8-1) was scheduled to meet Streator (12-6) at 2 p.m. today in the third game of the tournament.

If Papp and the GC defensive and hitting lineup can deliver, the Warriors will play at 11:30 a.m. tomorrow against the winner of a later game between Mound City (15-5) and Lockport (14-2), the team picked by some as the eventual 1963 champion.

This morning, Chicago Shurz (19-4), which won the title in 1955, and Danville (2-14), winner of 18 straight games, opened the tourney with a 9-30 game.

Fedora held practices Monday and Tuesday, but called off a morning workout Wednesday due to unreasonably hot weather which is expected to follow the teams right on through the tournament at Bradley University's baseball field.

No Workouts In Peoria
"We won't have any time for workouts up there," Fedora said before the team left here in automobiles at 2 p.m. yesterday.

Besides, if we're not ready now, we never will be."

Traveling in five automobiles driven by members of the GCIS coaching staff and wearing shorts and T-shirts in the 90 degree-plus weather—the Warriors checked into the Jefferson Hotel in Peoria last night, went out for dinner and a movie and returned early to their hotel.

Just how much sleep the team members got last night was anybody's guess, but they were to be up and out to Bradley this morning in time to watch the Shurz-Danville game at 9:30.

The players will be given the option of watching the remainder of the tournament or coming home Thursday if GCIS loses to Streator. "If we go all the way, look for us back here about midnight Friday," Fedora said.

Attending Meeting Of Swim Pool Managers

Granite City park district swimming pool manager Walt Whitaker and assistant manager and chief guard Jim Alsop are in McLeansboro today to attend a meeting of swimming pool managers, one of four in the state conducted by the Illinois Department of Public Health.

Sanitary and cleanliness standards and interpretation of state laws as they apply to swimming pools are the topics at the meeting.

Granite City's probable starters today, in the proper batting

UNIFORM OF THE DAY for most players during the long, hot trip to Peoria included shorts, sunglasses and, in the case of Catcher Marty LeVault, straw hat and guttie. LeVault and Norm Wilfong, the musically-inclined members of the sectional championship team, took their instruments along—with the permission of Coach Fedora.

Park Softball Club Raps Out 31 Hits In Sweep Over Caseyville VFW Post

Winging along on good pitching and heavy hitting, the Granite City park district's Class AA softball club ran its season record to 11-2 last night in Caseyville by sweeping a doubleheader from the VFW Post 1117 team, 10-2 and 14-3.

The park nine clobbered Post 1117 pitching for 31 hits in the two games; the second of which went only four innings, as Conrad "Babe" Champion's group picked up its fifth and sixth consecutive victories.

Howie Lamb ran his pitching record to 7-0 in the first game, tossing an eight-hitter and fanning 11 as the park backed him with two four-run innings.

Jake Hinterser drove in four runs, two with a double in the fourth and two more with a beginning triple. Lamb and Jerry Parmley, who finished the evening with five hits, each collected three singles in the first game off loser Ozzie Samos-

kis, who gave up 16 hits in all. A 10-run fourth inning by the visitors quickly ended the second game. Dan Reilly's bases-loaded double was one of eight hits gathered by the park district in its big frame.

Reilly and Marv Brokaw had four hits each in the two games. Champion, filling in for two absent members of the park pitching staff, got credit for the victory in the second game, allowing four hits. Charles Allen, former Seco hurler, was the loser. He was relieved in the fourth by Eddie Colston.

The park club comes home for a four-game set with Barnes Store of Springfield, Mo., this weekend. A doubleheader is scheduled at Wilson Park beginning at 7:30 p.m. Saturday, and the two clubs have scheduled a twinned here the following afternoon at 1:30. A June 12 doubleheader with the Vandalla Merchants has been canceled.

No School Pickets Tomorrow; Issue Still Unsettled

No picketing of Granite City schools is planned for tomorrow, the final day of the term, by Teamsters' Local 525. Arthur Crouch, assistant business representative, disclosed this today but told the Press-Record the local may go to court due to its belief that the school district has violated its written agreement with Local 525. The local seeks grass mowing work and notes that the district did not abide by an arbitrator's verdict.

Fifteen of the 19 schools were picketed Monday but attendance by employees and students was described as about normal.

Pickets were withdrawn by Local 525 Monday afternoon, pending the Tri-City Trades and Labor Council meeting last night. Information was given by both unions and the council considered to take no action at that time. There was no picketing today, "school record day," and the day of the annual basketball.

"Contract Violation"

Crouch stressed that the teamsters do not regard the case as a jurisdictional dispute with the school district, who are represented by Local 98. He described the disagreement as a "contract violation" by the school district and an issue solely between Local 525 and the school.

"In view of the fact that Teamsters and Chauffeurs Local 525 has been forced into a strike with the board of education of Granite City Community Unit School District No. 9, the union feels the public has the right to know the union side of the story," a statement by the local released this week.

"Our file in this case is open to the public, as should be that of the school district. A chronological resume of the events leading up to the strike is as follows:

"May 10, 1962, operation of tractor taken away from the union. May 18, grievance filed. May 20, union and school board asked for arbitration. May 26, issue submitted Illinois Department of Labor for arbitration.

"July 11, hearing held; representatives of both parties present to give testimony and evidence. Sept. 24, decision rendered by state arbitrator in favor of union; union resumed operating tractor. Union notified that the school board had decided 'not to abide by the arbitration procedure and award.'

"Meeting Declined"

"May 4, 1963, operation of tractor again taken away from the union. May 20, union again sought arbitration. May 28, Supt. of Schools, Kaiser, informed the union that the board refused to arbitrate. May 29, the union asked to meet with the school board to discuss the question and was informed by the school board attorney that 'the board will not meet.'

"When the dispute is reduced to the simplest terms, these are the salient facts:

"The union and the employer submitted the question of the interpretation and application of an article of the agreement between the school district and the union to the Illinois Department of Labor for arbitration, both sides agreeing to be bound by the decision of the arbitrator.

"The question to be decided was whether the school district had a right to assign the work of operating a tractor, which had been done by a member of

Second baseman Bob Price, son of Mr. and Mrs. Arvel Price of 2674 Iowa street, was one of five Missouri University baseball players named today to the all-star squad at the conclusion of the District 5 NCAA playoffs, which the Tigers won in a three-game set with St. Louis University.

Price, a junior, joined first baseman Gene McArthur, catcher John Sevelik, third baseman Dave Harvey and pitcher Jack Stroud on the 10 player squad selected by the Missouri Valley conference coaches.

Missouri, the Big Eight baseball champion and No. 1-ranked college team in the country, will meet Holy Cross at Columbia in the opening round of the NCAA national championships.

They were involved in a wave of 22 burglaries and thefts in Granite City and rural areas were arrested last month.

Bobby Lee Hayhurst, 32, of 2811 Emmer street, charged with aggravated battery in the neck slashing of Larry Dye, 27, of 3040 Buxton avenue, on May 14.

Mrs. Carroll Lynn Joyce Brush, 20, of Hillside, Mo., charged with burglary of a portable table set at the H&R furniture store during a crime in which her husband, Lawrence L. Brush, 27, was shot and killed by police.

Bedford James Bravley, 20, of 113 Garner road, Venice, charged with burglary and theft last month at the Harlin Davis confectionery, 117 Garner road.

Charles A. Siskel, 19, of 1311 Iowa street, Madison, charged with burglary at the James Service Station, Eighth street and Madison avenue, on May 16.

Daniel Apponey, 45, of 6 Jones Park, charged with theft. He also is facing trial for criminal damage to property.

The union for the past ten years, to another craft.

"The arbitrator's decision was in favor of the union and further advised that the trouble-making section be ironed out at the next contract negotiation.

The school board refuses to abide by the arbitrator's decision, refuses to resume the issue to arbitration and refuses to meet with the union and discuss the issue. The school board refuses to abide by the arbitrator's decision until the issue can be negotiated in a new contract.

"The bad faith shown by the board and its representatives has astonished and embarrassed us as a responsible union. We realize there are two sides to every question, but where the union has utilized the channels set out by statute for arbitration, and when both sides are pledged as honorable men to abide by the decision of the arbitrator, and then this pledge is broken, we are reluctantly forced into a strike."

Public aid warrants mailed to recipients must be returned to the Auditor of Public Accounts if they cannot be delivered at the mailing address given. Auditor Michael J. Howlett warned Wednesday.

Howlett said arrangements have been made between his office and the Illinois Public Aid Commission to stop recipients and IPAC employees from trying to forward the checks to recipients who have moved.

Carl J. L. Wessel, postmaster at Rock Island, complained to Auditor Howlett recently that audit workers and aid recipients frequently asked him to violate the Auditor's mailing instructions.

The warrants are mailed in envelopes with the specific instructions: "Postmaster: Return to sender if not deliverable at given address."

Howlett took up the postmaster's complaint with Harold G. Swank, IPAC executive secretary, who instructed the IPAC staff that delivery of the warrants may not be requested to any address other than the address on the warrant.

Undelivered warrants must be returned to Howlett's office and remailed to the new address which is verified by IPAC case workers.

More than 2000 IPAC warrants per month are returned to the Auditor's office. About 8000 more are held each month for various reasons after they have been prepared. About 8,000 of the "hold" warrants must be readressed.

Development Of New Jobs Reviewed In Talk

Community interest in acquiring new industry is a major factor in successful industrial development programs, E. G. Schmitt, assistant vice-president of Illinois Power Co., said in addressing Madison Rotarians yesterday.

Other recommendations were an organized program, sites and zoning, a climate in which there is both prosperity and productivity among present plants and employees, utilities, community services, markets, transportation, resources, good government with reasonable taxation, up-to-date and documented appraisals of such assets, and a general willingness to correct problems that could deter expansion or creation of new industries.

Schmitt, who was assisted by Ray Bunte, presented a film relating the "why, what and how" of maintaining sufficient job opportunities in a growing area such as the Quad-Cities. While citing increasing competition, he predicted success for those cities "aware of the need and willing to work through the expansion of their local resources to achieve retail, commercial and industrial development."

Frank Pijan was program chairman. It was noted that a large number of local Rotarians will take part in the annual Rotary International convention opening Sunday in St. Louis.

First Play Tonight On Park's Lighted Tennis Courts

Two exhibition doubles matches will inaugurate play under the lights on two of the four Wilson Park tennis courts tonight.

The newly-installed lights will be turned on in 8 p.m. ceremonies by park district officials. The two courts which remain unlighted are wired so that they may be illuminated at a later date without any revision of the electrical circuits.

All four courts were resurfaced this spring and finished with green playing areas and red out-of-bounds areas.

In a men's doubles match on court No. 1 tonight, George Viegler and Al Malott will face Mike Barnes and David Moss, while on court No. 2 in senior doubles Emmett Remsing and a Francis Herman will be pitted against Al Barnes Jr. and Ernie Karandjoff.

Pleads Not Guilty To Battery Charge

James McGee of 5000 Lakeview drive is free on \$500 property bond after pleading not guilty to a charge of battery at a preliminary hearing before Edwards Justice of the Peace Carl L. Vaugnoux.

The alleged incident took place Tuesday evening, and the charge was filed by Faye Gantner, who resides at 4940 Lakeview drive at property owned by McGee's father.

The woman said McGee beat her about the head and face and blackened her left eye. The hearing was continued to June 26.

which is verified by IPAC case workers.

More than 2000 IPAC warrants per month are returned to the Auditor's office. About 8000 more are held each month for various reasons after they have been prepared. About 8,000 of the "hold" warrants must be readressed.

Kiwanis-Bow Line Boat Races June 16

Near Hartford Canal

Final plans were made Monday night for the third annual Kiwanis Club-Bow Line Boat Club outboard motorboat races scheduled at 1 p.m. Sunday, June 16, near the mouth of the Hartford Canal.

Granite City Kiwanians, meeting at the Elks club, arranged for printed brochures concerning the National Outboard Drivers Association-sanctioned events, which will include 12 races in stock, runabout and hydroplane classes.

Professional race drivers expected to compete in the events will include Bill Seibold Jr. of Granite City, the 1962 NODA point champion.

A one-mile rectangular race course, just off the eastern bank of the Mississippi river and north of the confluence of the Mississippi and the canal, will be the site for all races on the program.

President Gene Fry was in charge of the Monday night club meeting, at which members also made plans for a ladies' night steak supper at the home of Le-lend Bryt in Ladue, beginning at 5 p.m. Sunday.

Six GCHS Tennis Lettermen Named

Six varsity tennis players at Granite City high school have been named recipients of letters, according to Coach Dick Harter, in the Southwest Conference and was runner-up in the district tournament at Roxana.

Lettermen were seniors Bill Logan, Mike Barnes and Bill Kueberg, juniors Wayne Hancock and Neal Wolf and sophomore Rusty Tolman. Hancock was elected team captain for the 1964 season. Jim Rice was team manager this year.

Increased Costs, Competition Are School Problems

Irvn Slate, who is associated with the Lueders and Robertson law firm, cited sharp increases in tuition fees, college population and scholastic competition as a warning to parents—and teenagers—to plan ahead if they expect to keep abreast of their contemporaries. He spoke at Tuesday's luncheon meeting of the Granite City Rotary Club at the YMCA.

A recent graduate of Washington University Law School, Slate said tuition there in 1955 was \$600 a year and now it is \$1200. "Not only is there inflation in terms of money, but next fall there is anticipated a 50% increase in the number of college and university freshmen."

Another problem for today's young people, he pointed out, is the growing number of bright students with perfect or near-perfect scholastic records.

"This increases competition for scholarships, and also puts a premium on academic excellence, that carries into future vocational opportunities. As parents, you must encourage your children to extend themselves, even in high school, to their fullest capacities or they might be left behind," Slate emphasized.

He also advised against too rigid specialization and urged counseling service "in order to save time and money that might be wasted aiming for a vocation or profession that is beyond reach."

Slate, himself a scholarship winner, was introduced by Harvey Baker, program chairman of James Louis announced that following an article in the Press-Record, overnight recommendations had been found for 15 more boys, members of the Beloit, Wis., YMCA Boys Choir who will sing June 11 at the First United Presbyterian Church here before going on to appear at the St. Louis Rotary International Convention.

"We still need accommodations for 18 others in the 100-member choir," he said.

Torians were reminded by President Gerald Broadway that the installation of new officers will be held June 18 at Holiday Inn. James Louis will be the new president.

County Teacher Exam To Be Held June 21

County Board Supt. Willbur R. Trimpe announced today that the regular teachers' examination will be held on Friday, June 21, at the office of county superintendent of schools at the courthouse in Edwardsville.

In order to be eligible for the examination, a person must have 90 semester hours of college work, nine semester hours of which are in the field of professional education, and have a complete official transcript or letter of eligibility from the secretary of the State Teacher Certification Board.

The exam takes approximately three hours. Office hours are 9 a.m. to 4:30 p.m. Appointments are necessary so that enough exams may be secured, Trimpe said.

The next regular exam will be in November.

As of July 1, 1964, a bachelor's degree will be required to be eligible to take this exam.

Surgery Patient

Miss Beverly J. Ayres, daughter of Mr. and Mrs. Paul J. Hill, 5205 Dodge, is a surgery patient at St. Elizabeth Hospital. She entered the hospital Wednesday morning and will be confined there for several days. She is 19 months old.

GC School Enrollment, Cost Estimates Being Prepared

A projection of probable future enrollment is being prepared by Supt. Harold M. Kaiser for submission to the Granite City school board in the near future.

The estimates will aid the board in determining future construction needs as well as providing information necessary to chart other school costs.

To keep pace with enrollment gains that will boost the pupil population beyond 13,000 this fall, classroom additions have been built in recent years—two wings at Granite City high school, expansion of the Mary-

ville and Wilson grade schools, additions to all four corners of Coolidge junior high school and current building projects at Mitchell and Namecki grade schools.

No new additions have been listed for 1963-64 by the board, which has decided to include remodeling, repair and improvement projects totaling \$151,672 in the next budget.

Standards Being Raised
An example of the impact of a growing enrollment, complicated by the higher standards being set by universities, the North Central Association of Colleges and Secondary Schools, and the National Defense Education program, is the guidance counseling staff.

The district is obligated to work toward a ratio of one counselor for every 300 pupils in grades nine through twelve by 1965. The ratio here was 480 to 1 in 1962 and 430 to 1 in the year just ending.

Without adding another counselor at Granite City high school next year, the ratio would climb to 528 to 1, jeopardizing the \$250 aid under Title V of the National Defense Education Act.

It has been decided to add the counseling staff for 334 students, and further expansion of the guidance staff will be necessary the following year.

In praising the speech curriculum as "outstanding," the state superintendent's office has suggested two more curriculum areas and still more in later years. The teaching staff also is increasing in size.

Variety Of Budget Factors

A possible additional cut estimated at \$50 a year is under study by the school district. It would finance a golf program for GCIS students, including \$250 for salary, \$150 green fees, \$50 transportation, Army Depot, Collinsville and Sunset Hills Country Club courses are possible locations of future events.

Alton, Belleville, Collinsville and Edwardsville high schools

currently have golf teams, and increasing interest locally has been noted. Golf is described as a "one sport that a boy will probably continue in later life."

A potential element in school budget planning is the currently dormant suit by Harold Krombein against the 1955 condemnation of Coolidge junior high school property. The case has been described to the board as being "of far greater consequence to the school district than most people realize, as an adverse decision could conceivably result in the expenditure of many thousands of dollars."

Reduced Bus Costs

An anticipated budget reduction is the allocation for bus transportation, which is due to cost \$270 daily in 1963-64 instead of the \$240 presently daily cost.

Charter trips within the area served by the Bi-State Transit System will cost \$7 an hour, plus 25 cents a mile. The existing contract for chartered runs within 30 miles of Granite City is \$10 for the first hour and \$6 for each hour thereafter.

Trips beyond the metropolitan area are to be handled by over-the-road bus firms, such as Trailways or Greyhound, on the basis of future bids. Such vehicles have storage space for athletic and band equipment, ending the necessity to carry equipment in the same compartment as students.

Explanations Planned
One aspect of the district's budgeting, accurate interpretation and understanding of the figures, is expected to be improved with the decision to encourage more individuals and groups to review school finances with Supt. Kaiser.

The American Federation of Teachers' salary and policy committee had asked to receive copies of the annual audit and budget, but this was regarded as being no more helpful to Local 743 than in past years, when such figures sometimes were obtained from county and state offices as well as from the local office.

Without a fuller picture, including knowledge of numerous financial factors that do not appear under some forms of accounting, personnel of budgets and audits can lead to erroneous conclusions about the financial condition of a governmental agency, it has been noted.

By analyzing the financial record in direct conversation with those who are interested, it is felt that the superintendent will be able to tell individuals in keeping their independent in-house expense projections on a factual basis.

Camp Events Scheduled For Webelos, Leaders

A date of Saturday, July 13, has been set for the third annual "Webelos Day" in which Webelos cub scouts almost old enough to advance from pack to troops—visit Camp Sunnen, the Palau, Mo., summer campsite of the Chokoma Mount Boy Scout Council.

Cubs 10½ years of age and their fathers are eligible to attend the event.

The regular camping season for scouts and explorers is set for Sunday, June 23, through Saturday, Aug. 3, with six one-week sessions scheduled. Related canoe trips through the Ozarks are being arranged for explorers.

A "mix-fis" camping, fellowship and work party has been planned for tomorrow through Sunday at Camp Sunnen, which will be the scene of an annual "stomach" training for adult scouts Friday, June 14, and Saturday, June 15.

George E. Wilkins, county camping committee chairman, has announced the following summer camp staff appointments:

Director, Clayton Brothman; business manager, Richard D. Moore; program director, John R. Haack; aquatic director, Roland H. Neathery; nature director, David E. Wolter; field sports director, Larry Tudoroff; assistants, Don Rivenburgh, Thomas C. Cow, Robert W. Richter, Charles R. Hudson, Dennis Miller, George Crum, Gene H. Sternberg, John W. Cunningham, Michael Simmons, Darryl Belcher; James Wittetrongel, Fred Yagow and Robert Eckert; and trainers, Marshall Brown, Don Callahan, Milton Edington, Mark Frey, Charles Haack, Paul Helfrich and Joe Jackson.

The third annual retreat for Catholic scouts and explorers is to be held tomorrow through Sunday at St. Henry's Seminary, Belleville, with Del Cole, Coleman and Al Balma in charge.

Boys Caught Shoplifting

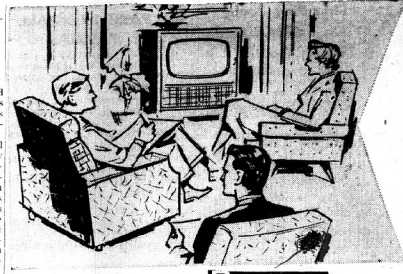

Two boys, 11 and 13 years old, were arrested by Granite City police at 9:35 a.m. yesterday for shoplifting in the "City Grocery" at the Bellemeade Village shopping center. They were turned over to Coordinated Youth Services.

Vandals Damage Furniture
Lawn furniture at the home of a Mrs. Bush, 2244 State street, was scattered about the neighborhood last night. Police were called about 9:25 and found a chair lounge in a trash pit, benches in several yards and a table top on a garage roof.

YOUTH PLEADS GUILTY, HELD FOR SENTENCING

Charles A. Ray, 17, of 2504 Denver street, pleaded guilty to five charges Tuesday before Police Magistrate Andrew Gopchewic, who took the case under advisement.

After an arrest Sunday night for speeding 80 miles per hour on Madison avenue, he was charged with speeding and reckless driving. He pleaded innocent to having no driver's license, claiming it was lost. The judge said he could obtain a duplicate if it was lost.

On Monday afternoon, he was charged in a complaint signed by Special Deputy Dennis Nicholas with assault, refusing to obey an officer and disorderly conduct. Nicholas said he was jumped when he tried to prevent Ray from damaging a parked auto. He was held pending sentence when he was unable to meet a \$50 property bond.

He will be faced with two other charges, criminal damage to property and battery as a complaint was filed yesterday by Leonard Jones, owner of the automobile.

SUICIDE ATTEMPT

A 20-year-old man living in a subdivision outside Granite City apparently attempted suicide last night. He was taken by ambulance to St. Elizabeth Hospital where it was reported he had taken an overdose of sleeping pills about four hours before he was admitted.

NEW DELHI TOPIC OF METHODIST WOMEN

The Women's Society of Christian Service held a regular monthly meeting Monday evening at the Nameoki Methodist Church. The devotion and song singing were led by Mrs. Vivian Gulka, followed by prayer. Rev. Pierce conducted an installation service for the new officers, who are Mrs. Dorothy Luckert, vice-president; Mrs. Irene Pierce, recording secretary; Mrs. Laurel Briner, treasurer; promotion and publications, Mrs. Candy Kaula; and missionary education, Miss Marie Grashong. The office of president will be filled at a later meeting.

At the close of the ceremony, Rev. Pierce presented Miss Grashong with the past president pin.

Mrs. Ruth Hancock, program

chairman, with the assistance of Mrs. Luckert and Mrs. Briner, presented a study on the "World Council of Churches at New Delhi." Each member signed cards which will be sent to sick and shut-in members of the church. The closing prayer was given by Mrs. Gulka and refreshments were served by Miss Grashong. The next meeting will be held on July 1 with the Day circle members serving as hostesses.

Members present were Mesdames Mary Bailey, Fay Bee, Briner, Causy, Gulka, Gladys Russell, Kaula, Ann Haley, Jan Kohl, Betty Milwee, Mildred Nancey, Pierce and Ena Putner, Miss Reba Jo Gunter and the hostess, Miss Jane Perkins.

GIRL SCOUTS PLAN FINAL MEETING

Girl Scout Troop 137, sponsored by the Protestant school PTA, attended the final cooking class, held at the Illinois Power Co. Monday afternoon. The scouts prepared a dessert course and punch under the supervision of Miss Leslie.

Following the instruction, Miss Leslie presented the scouts

with cooking badges, and Mrs. Virginia Wolfe, co-leader, gave them bicycle hike badges they had earned on an earlier date. Those present were Linda Anderson, Patti Allen, Judy Britton, Joyce Boush, Debbie Case, Karen Corzilius, Sue Hogan, Patti Miller, Vicki Menor, Sharon Moscho, Jennifer Bailey, Terry Vahle, Kathy Wilkerson and Cindy Wolfe.

At the close of the festivities, Mrs. Wolfe discussed with the troop its last meeting to be held on June 10. Plans were made to have a winner roast at the Wolfe residence, 233 Rivera drive, and the hours will be 4:30 to 7:30 p.m.

LITTLE LEAGUE PLANS FOR ALL-STAR GAME

A meeting of the Nameoki Little League managers was held at Hope Lutheran Church Monday evening. Rev. Alfred Bule, president, conducted the meeting, with the main purpose to name a manager for the all-star team.

Dean Harrell was named to this post and it was announced that the all-star game is set for July 18 and will be played under the lights.

Omar Rook, who attended the District One meeting Sunday in Mount Vernon, announced the team will play Herlin in its first game.

Tentative plans were made for parents who wish to attend. Final plans on the transportation will be announced later.

SENIOR GIRL SCOUTS PLAN PICNIC FRIDAY

The final meeting for this year of Senior Girl Scout Troop

224 was held Tuesday evening at the Nameoki Presbyterian Church.

During the brief business meeting, the year's activities were discussed and suggestions on possible plans for the coming winter were mentioned.

The remainder of the meeting was spent in planning a picnic to be held on Friday at 1:30 p.m. in Edwardsville. The troop also plans to go horseback riding during the afternoon.

Those present were Lauren Stegle, Charlotte Weiss, Barbara Barton, Marilyn Bondegard, Janet Line, Debbie Slay, Morle Willis, Barbara Meng, Anna Mae Zimmer, Kathy McDonald and Mrs. Mary Stegle, leader. The next regular meeting will be in September.

JOINT BIRTHDAY SURPRISE PARTY

A surprise birthday supper was held in the home of Mr. and Mrs. John Jakich, 2233 Western avenue, Wednesday evening, honoring Misses Kathy and Karen Kibort. The daughters of Mr. and Mrs. Albert Kibort, 1617 Primrose avenue, they will be eleven and nine years old.

The guest list included Mr. and Mrs. Kibort, Kenne and Keith Kibort and Michael and Janet Jakich.

PRESBYTERIAN WOMEN PLAN ACTIVITIES

The Nameoki United Presbyterian Women's Society held a monthly board meeting Tuesday evening at the church, with nine members present.

Mrs. Ann Felling opened the meeting with devotions followed by prayer. All departments submitted reports. Mrs. Alta Stewart announced that the program for the next meet-

ing will be "Cable from Pakistan," and that summer medical offerings will be collected at the meeting.

World Service Chairman Mrs. Adele Greig reported that plans for mission giving have been completed and include a quilt the club will make. The club meeting will close on July 26.

Mrs. Louise Thompson, mission chairman, gave her report and a state of officers was presented by Mrs. Violet Monahan. Mrs. Fredling announced that the Evening circle will meet on June 25 in the home of Mrs. Ben Pyle, 8 Terrace lane, and the afternoon circle will hold its meeting with Mrs. Carolyn Stearns, 2600 Pontoon road. The meeting was closed with prayer.

Those present were Mesdames Edith Simpson, Freeling, Lu Pyle, Fern Mitchell, Violet Monahan, Thompson, Stewart, Adele Greig and Betty Finn.

The Candlelighter club club met in the home of Mrs. Paul, 2278 Westchester drive, Wednesday evening for a semi-monthly meeting.

Pinchelle was the game for the evening, and those holding the high score were Mrs. Thompson, first and the fluster prize, Mrs. Shirley Brown, second, and Mrs. Shirley Thompson, third prize.

The hostess served a dessert luncheon and used green and white in her decorating theme. The place mats and napkins were in green and white and the centerpiece was an arrangement of green fruit placed in a scallop bowl. Green lighted candles in black wrought-iron holders were placed on either side.

Those present were Mesdames

Lois Cruise, Donna Hogan, Norman Loftus, Bette Rea, the prize winners and one new member, Mrs. Shirley Thompson.

The next meeting will be held in the home of Mrs. Loftus, 3101 Ash street, on June 19.

16TH BIRTHDAY OF ROGER MACZURA

Roger MacZura, son of Mr. and Mrs. Warren MacZura, was honored with a party Tuesday evening for his 16th birthday.

The dinner was held in the home of his uncle and aunt, Mr. and Mrs. Albert Kibort, 1617 Primrose avenue.

Others present were his maternal grandparents, Mr. and Mrs. Warren MacZura, Terry, David and Meg Anne MacZura and Kathy, Karen, Kenne and Keith Kibort.

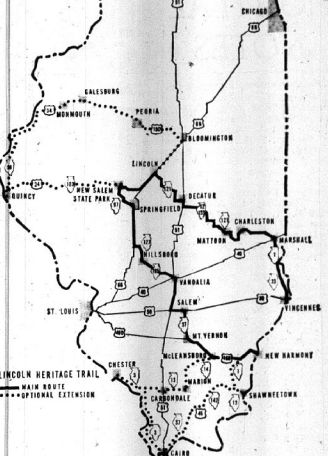

ENTERED HOSPITAL

Thelma Bailey entered the Veterans Hospital in St. Louis Monday evening to undergo X-rays and examinations. He is there for an indefinite stay. He resides with his son and daughter-in-law, Mr. and Mrs. Hance Bailey, 109 Rivera drive.

RETURN FROM VACATION

Mr. and Mrs. Hance Bailey and children, Jennifer, Rene and Craig, 109 Rivera drive, returned home late Monday evening from a five-day vacation at Kentucky Lake.

They also visited points of interest in Tennessee and Indiana.

children, Mrs. Ruby Johnson and daughter, Mr. and Mrs. Robert Joyce and children, Mr. and Mrs. Lionel Portell and children, Mr. and Mrs. William Paterson and children, Mrs. Betty Lewis and children, Mr. and Mrs. Jesse Weitz and children, Mr. and Mrs. Gerald Snyder and children and Mr. and Mrs. Dempsey Cross and children.

DINNER HONORS REV. SWITZER, FAMILY
The congregation of Dewey Avenue Methodist Church held a pot luck dinner in the church Sunday to welcome the return of the pastor, Rev. Raymond Switzer, and his family.

Following the dinner, a short program of entertainment was held. The lay leader, Jack Hentzer, gave a welcome speech and Dr. Hugh Brooks presented a gift to the pastor and his family in behalf of the congregation. Marsha and Sheila Gibbs presented a violin and piano duet.

Others present were Mesdames Robert Richardson, Elizabeth Darnell, Othella Nabe, Eva Brewer, Winnie Tucker, Naomi Rongey, Iva Biggs, Ruth Helton, Lena Garden, Minnie Helen and Elsie Sturdivant. Closing prayer was given by Mrs. Daniels.

DAV UNIT ENTERTAINS AT COUNTY SANATORIUM
The DAV Auxiliary entertained with a party at the Madison county sanatorium at Edwardsville Tuesday.

Mrs. Louise Schlieff, hospital chairman, and Mrs. Helen Miller and Mrs. Marie King served refreshments to 30 patients. An orchestra from Edwardsville entertained with a variety of music.

WRITE TO MISSIONARIES
Peter Chen Primary Sunbeams of Second Baptist Church met Tuesday afternoon for their first meeting of the month. Mrs. Betty Lewis, leader, was in charge and led the group in the making of a large frieze of the Philippine Islands. Songs and a discussion was held about a Bible story.

Mrs. Lewis gave prayer and told the story of Mr. and Mrs. Gordon, missionaries to the Philippines. A letter was read that the children had dictated last week, and it was sent to the four children of missionaries in the United States on Thursday. The family serves at Southern Baptist missionaries in the Philippines. Closing prayer was by Gary Lewis.

Others present were Brenda Holloway, Johnny Snider, Debbie Thompson, Connie Lindsey, Chidy Baker, Donald Mays, Glenn Olive, Debbie Davis, Cathy and Larry Anderson, Gary and Gail Lewis, Theresa Gilham, Julie and Denise Whitson and visitors, Marie Snider, Debbie Casey, Sheila Thompson, Edith Oden and Randy Mitchell.

GUESTS FROM SOUTH
Mr. and Mrs. Hiram Rhodes, 226 State street, have returned from a two-week visit with their son-in-law and daughter, Mrs. Lloyd Colburn and daughter of Manchester, Tenn. The Colburns returned here with the Rhodes.

While in Tennessee, they visited Lookout Mountain in Chattanooga; the Hermitage home of Andrew Jackson, in Nashville; the Wonder Cave at Manchester; and Waverly, Tenn.

On their return, the Rhodes attended a family gathering at Wilson Park. Others present were Mr. and Mrs. Richard Schwendemann and children, David, Ernest, Wayne and Diana. Mr. and Mrs. Robert Young and children, Cathy, Gail and Michael, Mrs. Anna May Rhodes and son, Johnny, of O'Fallon, Mrs. Wanda Bradford and Mr. and Mrs. J. S. Stanfill.

Rev. Mrs. Craddock To Lead State School
Rev. James R. Craddock and Mrs. Craddock of Central Christian Church will have major roles in the Illinois State Christian Leadership school to be held at Decatur Sunday through Saturday, June 15.

The school will have as its faculty officials of the national office of the Christian Church located at Indianapolis, Ind. Also attending from here will be Clay Rush of Central Christian Church, who is district youth chairman.

Rev. Craddock is state chairman of the stewardship department, and Mrs. Craddock will be dean of the school.

About 125 church leaders from throughout the state are expected to attend the school. It has been planned for two years.

Parents Of Second Child

Mr. and Mrs. Alvin Barnard, Peoria, Ill., are announcing the birth of a daughter weighing seven pounds, one ounce, yesterday at Peoria Hospital. They have a son, Gerald, two years old. Mrs. Barnard is the former Miss Helen Marcor, a Granite City high school graduate and nurse.

13-Year-Old Lawsuit Dismissed This Week

A lawsuit filed in 1950, involving ownership of downtown Granite City property came to an end this week when Circuit Judge Joseph Barr ruled at Edwardsville dismissed the complaint.

The judge ruled in the case of John Tarpoff vs. Henry D. Kar-

andjeff that proper documents on ownership had been recorded and had been signed by both parties. The property involved is located at 1314 Niedringhaus avenue.

The case had gone to the state Supreme Court and in 1959 was remanded to the circuit court.

Four Radar Speeding Arrests in Madison

Madison police arrested four additional persons for speeding yesterday afternoon while their radar unit was in use.

They are Gary Trice, St. Louis, driving 40 miles an hour in a 30-mile zone at Ninth street and Madison avenue; and Rita Williams, 1528 Lindall blvd., 38 in a 25 mph zone; Robert

Vaughn, 1456 Fourth street, Madison, 35 in a 25 mph zone; and Robert Weber, East St. Louis, 38 in a 25 mph zone, all on Third street.

Auto Goes Through Vegetable Garden

Madison police are investigating a complaint made yesterday that a motorist had driven a car through a large vegetable

garden in the 1200 block of State street between 1 p.m. Sunday and early Monday.

Mrs. Mike Gancheff, 1201 Iowa street, said she had to do a lot of work to straighten out the rut. She said a friend had jotted down a license number.

JUNE 6, 1938
Nine students of Community high school finished their six-week period with all perfect grades. It was announced by Superintendent A. C. Griggs, that the highest ranking scholar was a boy, Bill Lynn, who achieved perfect marks in six subjects. The eight students who received "A" grades in five subjects were: Wanda Mae Bacon, Anna Christensen, Cecil Kacakeff, Dorothy Kelahan, Nadine Little, Thelma Mayes, Virginia Meyer and Gregory Sills.

If a proposed ordinance to tax auto-outdoor workers reaches the board of aldermen, Mayor Kirkpatrick said he intends to oppose it and will seek to throw the entire weight of the Madison County Mayors' Association against the bill. He is president of that organization.

James Lynch, 22, of Cleveland, Ohio, was graduated from the City College of Law and Finance at commencement exercises held Thursday night at the municipal auditorium in St. Louis. He received an LL. B. degree. It was thought to take the bar examination.

Among 17 students from Madison county who will be graduated at the University of Illinois June 15 are three from this community. They are Melvin B. Johannigmeier and Mary Slick, both of Granite City, and Miodrag Muntjan, of Madison.

A 4-H club was organized Friday evening at the Mitchell school by Miss Mary L. Strubinger, home economics teacher. About 30 girls were enrolled, with Mrs. Charles Hillinger and Mrs. Dan Doyle as sponsors. The first meeting will be held Tuesday afternoon at the hall.

The following were elected officers: Bernadine Medlin, president; Bernice Bush, vice-president; Marielle Jergens, secretary and treasurer; Bernadine Trockler, recreation chairman; and Vera Myers, publicity chairman.

Edward Mueller has been elected captain of the 1938 Community high school football team. He succeeds Captain Randall Robertson. Mueller competes in the 100-yard dash, low hurdles and broad jump.

Mrs. Alfred E. Smith, Mrs. Isabel Smith, Mrs. Frank Hesler, Mrs. A. Ralph Lynn and the sister's sister, Mrs. Kathryn Day, of Dayton, O., attended the annual June breakfast and frolic of the Schubert club of East St. Louis today at the Madison Athletic Association in St. Louis. Miss Smith took part in the program with several numbers.

Geraldine Metzger, Doris Carter, Doris Austin, Doris Onkle, Kenneth Oliver and Henry Croighton, graduates of the schools in Madison recently were honored with party on Wednesday night given by the Epworth League of the Methodist Church.

Enjoying games were Roy Hughes, Wilbur and Robert Bunsenberger, Miss Lena Grabham, Beril Smith, Doris Carter, Doris Austin, Doris Onkle, Louise Jones, Lucille Jones, Geraldine Metzger, Kenneth Oliver, Leslie Burris, Henry Croighton and Arthur Hinson.

MAYOR ATTEMPTING TO DICTATE TO COUNCIL

To the Editor:
The debate last week on the mayor's trip to Hawaii at taxpayers' expense was really one for Ripley. Never in history, since I came here in 1921, have I ever heard of a council providing a vacation at the expense of taxpayers for any previous mayor of Granite City.

The mayor stated if the trip was refused he would turn thumbs down on future advancement proposals. Who is he to dictate to the members of the council as to how they should render their decision in behalf of the community?

Is it not a fact that a loan of \$300,000 has been called for in anticipation of warrants to cover the remaining fiscal year's expenses? How much of this loan can have as head of our near-bankrupt city to demand a paid vacation, accompanied by a wife, to a distant point like Hawaii?

What will he accomplish as a representative from a city of 40,000 population? Patterns of recreation in national parks are not formulated from the advice or suggestions of a mayor from a one-horse town like Granite City.

We are 15 years behind in industrial and educational expansion; we are in no financial position to send a \$300,000-percentage travel-expense mayor to an overseas college to learn how to further prosper Granite City. What happened to Mr. Moore? He was 100% for the

Mrs. Myrtle Nanny and Sal-nice, Mrs. Mac West, left Saturday evening for a fortnight's vacation in Gary and Galesburg, Ind., and Chicago. The eight students who received "A" grades in five subjects were: Wanda Mae Bacon, Anna Christensen, Cecil Kacakeff, Dorothy Kelahan, Nadine Little, Thelma Mayes, Virginia Meyer and Gregory Sills.

Mrs. Paul Connolly of Madison, the former Miss Marguerite Pollett, was graduated today from Illinois State Normal University during its annual commencement exercises, held in the outdoor amphitheater on the university campus.

Mrs. Thomas Martin of Venice entertained members of the Homemakers' Sunday class of the Baptist Church Thursday evening. Mrs. Mahle Miller presided. The devotional was given by the pastor, Mr. Beulah Benner.

After adjournment, a social time was enjoyed. The prizes were given to Mrs. Myrtle Baker and Mrs. Inez Neimeyer. Among the guests were Mrs. Alma Wright, Mrs. Marguerite Barr and daughter, Jeannine, Mrs. Cora Harr and son, Joseph, Barbara Ann, Mrs. Vada Stuart, Mrs. Mildred Bryant and daughter, Donna Lee, Mrs. Josephine Hoffman, Mrs. Cora Fuller, Mrs. Mabel Miller, Mrs. Beulah Benner, Mrs. Beulah Benner, Mrs. Inez Neimeyer and Mrs. Myrtle Baker.

The Granite City Wagners journeyed to East St. Louis yesterday evening for the dedication of that city's 11-15 in a game featured by the heavy stugging of home boys Grimm and Jones. The attack with three bingles each, while Lombardi, Beres, Padgett, Craycraft and Wendt collected two apiece and Fawcett one. Ted Werner did the hurrying for five scattered hits and one run during the first seven innings.

Mrs. George Wood entertained her club Friday evening and had two guests, Mrs. Dale Reed and Miss Georgia LeMaster. The guests were Mrs. Kenneth Luckert, Mrs. LeMaster, Mrs. Verna Deutschman and Mrs. Ray Lode. The next meeting will be held in the home of Miss Eddie LeMaster.

During a lengthy business meeting held Friday evening at the American Legion home, the following new officers of Legion Auxiliary Unit 113 were elected: president, Mrs. Letha Hegel, succeeding Mrs. Georgia Kramer; vice-presidents, Mrs. Rose Kramer and Mrs. Minnie Groth; treasurer, Mrs. Kramer; historian, Mrs. Meba Wader; chairman, Mrs. Westlake; and sergeant-at-arms, Mrs. Amelia Brandes.

Delegates to the department convention in Rockford to be held Aug. 20 to 24 also were present. They are Mrs. Kramer, Mrs. Groth, Mrs. Ida Reading, with Mrs. Hegel, Mrs. Metro and Mrs. Martha Montague as alternates.

present sanitation department. Now he is trying to keep the monthly expense bill. A contract is a legal document and must be carried out under its own terms. We pay or we are wide open for damages, but we can change it at the renewal time. Why the necessity of expanding our present personnel to increase costs when there is the possibility of an \$80,000 drop in taxes due to the proposed reductions in tax assessments?

PUBLIC NOT TOLD WHY TEACHERS NOT HIRED

To the Editor:
The Press-Record for taking up the cudgel against three young teachers without first gathering all of the facts.

Your account of their dismissal comes from the superintendent and the controlling agency of the board. Did your paper have the decency to ask any of these young men for an interview to hear their story? Of course you did not.

Don't you believe everyone in the community is entitled to a hearing and that the taxpayer public is entitled to know from such a hearing?

Do you think it is proper for one reporter to be allowed to sit on an executive session unless all reporters are given the same consideration, or do you believe, as I do, that these lengthy private sessions are for the benefit of the taxpayers' interest?

You claim the proceedings were secret to protect the people

involved, yet these men have asked not to be "protected" but to have their names cleared. These teachers were refused even a private hearing before the board.

Can the release of these teachers actually stand a public airing? Your editorial implies they were fired for incompetency, yet two were dismissed on state certification, while the superintendent stated they were excellent teachers. Yet all are fully certified to teach next year. Were were at the time they were fired.

All Faiths Saddened By Death Of Pope John

Quad-Cities of all faiths, like men of good will everywhere, share a deep sense of loss over the passing of Pope John XXIII, whose death will be remembered through the centuries despite its brief duration.

Pope John's kindness and warmth, his closeness to the people, his progressive outlook and his willingness to break the prejudices of centuries will be remembered through the world, where he gained such instantaneous affection that he is already being revered by many as a saint.

His "open door" policy when passing through Venice, continued after his move to Rome, enabled millions, including many local residents, to see him at audiences of varying size.

He perhaps will be remembered best of all for his encyclical, "Peace on Earth," which was issued by the ecumenical council which opened last fall. His goal of cooperative effort to achieve lasting world peace is an objective of prime importance, one that will live on, far beyond the sad date of June 3, 1963.

Planning is what separates the best communities from the average ones.

Election Commission Bill Could Curtail Illegal Chicago Voting

With the number of Chicago area votes controlled by various fraudulent methods estimated at anywhere from 50,000 to 150,000, legislation proposing a mandatory election commission in Cook county should be viewed on its merits, not as a partisan issue.

Because the freedom of each citizen is endangered by improper election practices, Senate Bills 1 and 2 deserve the support of all legislators. In attempting to enforce strict voting discipline among all Illinois Democrats and among Cook county Republicans on this issue, Chicago leaders are coming very close to saying they have the right to perpetrate illegal practices.

The proposals, which also make such commissions optional in other counties, could go a long way toward correcting an unhealthy situation in Chicago, where ward committees on the staff of the election commission. Under the new plan, permanent, non-partisan employees would be under a merit system and the commission itself could have the power to hire them and to fire them for cause.

Another indication that the suggested commission would be helpful is the desperate struggle to defeat it. Illinois senators and representatives should turn a deaf ear to those who are afraid of free elections. And they ought to make sure they are present to vote "yes" when the roll call is taken.

Speed, Economy Through Patronizing Local Port

The Illinois Board of Economic Development has adopted a plan to increase its direct world-wide advertising on the benefits of direct overseas shipments to Illinois ports. In publicizing all existing harbors in the state, it is putting the Illinois "grab bag" of such advantages as Hong Kong, Hamburg, Germany, and Halversum, Holland.

A good case is being made for direct water shipments to the major ports of the world. The trains or trucks at coastal ports. There is every reason to send vessels with freight destined for the Midwest directly to the midwestern ports capable of handling necessary loading, unloading, storage, processing and forwarding.

Increased commercial activity is in store for the Quad-Cities if the campaign is successful. The end result can be more prosperity for families throughout the local community.

Much time can be wasted in trying to get something for nothing.

Your Governor Reports by OTTO KERNER

BUILDING PROJECT
ALSO REHABILITATION
Governors participate in dedications of grand and elaborate buildings. But of all such occasions, the most memorable one for me came last week when I helped dedicate a simple structure built in the heart of the slums at the Kankakee State Boys Camp.

The building was built by the boys of the camp themselves, and it stands as a monument to our society which says that these boys should be given the opportunity to rebuild their lives.

The forestry camp is one of 11 under the jurisdiction of the Illinois Youth Commission. The newly constructed facility committes almost the entire physical plant of the camp, as well as the boys' quarters.

Unique Plan
The project was unique in that, normally, construction of this kind is done by the state. In this case, it was considered appropriate to give the boys a chance to

find the thrill in building on the ground up.
The prime goal was consonant with the mission of the Illinois Youth Commission — rehabilitation of young men.
Our hopes, I believe, were contained in one of the statements at the dedication.
Work Toward Common Goal
We hope that what they have acquired in this project is not just the technique of installing a pipe or laying a floor, but the knack of working together for a common goal.

"From practical experience, they have learned that if one floor tile is crooked, the rest will not fit in place; if one concrete block is askew, the entire structure is weakened."
"They have learned that no person can do the job alone."
These are the axioms of society.

"I hope and pray that, with our help, these boys can return to our society as useful citizens and contributors to the whole."

is no deterrent to crime. I submit that this is impossible to prove one way or another.
I happen to believe that it is a deterrent, but one fact is certain:
Illinois crime rates over the past few years, whether they go up or down, will not "prove" that the threat of execution deters crime in our society or, regardless of whether this bill becomes law.

Therefore, think it might be wise to ask, "What is the purpose of a six-year moratorium?" Apparently it is to pave the way for permanent abolition of capital punishment in this state.

Rehabilitation Aspect
Lately we have heard a great deal about "rehabilitation" of convicted murderers. I do not say that it is impossible to rehabilitate such a person, but I do say that I would be unwilling to release him in our society on the basis of opinion that he is "rehabilitated." No one can ever be certain.

And if he is not returned to society, what has been the purpose of this "rehabilitation" if he has taken place?

All in all, very few people are ever convicted of murder. After every possible appeal and device have been exhausted, and there is no reasonable doubt of guilt.

In the end, the governor himself must be convinced that the court's decision was just.

I think we should keep the death penalty.

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

BRITTLE BONES
REMAINS A MYSTERY
Normally, a person is born with about 206 bones which, of course, do not usually break unless there is rather severe pressure.

However, some people have a tendency to break one or more bones by merely by sneezing, coughing or the one referred to as having "brittle bones."

There are children who spend much of their childhood in hospital beds mending their broken bones because of this brittle condition.

Why these bones are so medical science, for laboratory tests do not indicate a lack of minerals or other substances in the body, or even a deficiency of hormones, which are chemicals substances normally produced in the body.

Hereditary Factor
Even though the exact cause of this brittleness is not known, heredity seems to be a factor, since many have reported this characteristic in families.

Bones normally have a definite quality and strength in the femur, or thigh bone, for example, these characteristics provide proper support for the body.

Some people seem to become crooked, however, it would break easily because their bones are so brittle.

Many medical and surgical procedures have been attempted to overcome the repeated fractures resulting from the brittle quality of the bones.

One of the most successful is the removal of the bone from the body. For example, a leg may be removed and replaced with a metal prosthesis, several sections and rearranged in an effort to obtain the straightest alignment. It may be

necessary to turn some pieces end for end, or even replace them.

A metal rod is inserted to hold the pieces in line to provide support; they will not break so easily in the future.

New Concept
When this procedure is accomplished, the bone is returned to its position in the leg and fastened to the growing ends of the bone at the top and bottom. The growing ends of the bone are never removed from the body, since the bone must remain in the body to renew again the growth of the bone.

This surgical technique brings out a new concept in that it is now possible to remove large pieces of bone from the body, and break them up into a new position so that the bone will continue to stay straight and to heal solidly.

Advances made in this technique may lead the way to progress in helping other conditions which affect bone and which, until now, have required all sorts of correction.

242 Register For Girl Scout Day Camp

Registration has ended for the District Four Girl Scout day camp sessions to be held from August 1 to August 10 at Camp Lakota near Glen Carbon with 242 girls signing for the three one-week sessions.

The registration included 21 girls from Neighborhood One, 19 girls from Neighborhood Two, 29 girls from Neighborhood Three, 89 girls from Neighborhood Four, 19 girls from Neighborhood Five, the sessions will be July 29 to Aug. 2 for Neighborhood One and Aug. 5 to Aug. 12 for Neighborhoods Two and Three and Aug. 12-19 for Neighborhoods Four and Five.

A change in the date for the adult leaders' day camp training session for August 11 and 12 was announced this week. It has been postponed to June 11 and will start at 9:30 a.m. at Camp Lakota.

All you need do is drive-in at the entrance on 18th street. The gate will open, the meter will issue you a ticket. Drive on in and park. (No mess in bad weather for the lot is surfaced.) Then, when you shop or visit your doctor or lawyer, etc. ask them to redeem your parking lot ticket with a parking token. When you return to your car, drive up to the EXIT gate and INSERT THE TOKEN IN THE METER MARKED "TOKEN". The exit gate will open and you can drive out . . . in either direction . . . on 18th street. If you do not have a token, insert 50c in the meter marked "COIN". The gate will open for you to leave. It is so easy, so safe, so convenient to use the DOWNTOWN GRANITE CITY SHOPPING CENTER NEW FREE PARKING LOT.

Quad-City Rainfall Above Average 1st Time This Year

Rainfall in the Quad-Cities during May totaled 5.26 inches—43 inch above normal—and boosted the area's total precipitation to 13.97 inches for five months.

The May rain was enough to put the Quad-Cities rainfall slightly above normal for the first time this year. However, the 14.97-inch total did not equal the 17.11 inches recorded for five months in 1962 or 20.75 inches for the same period in 1961. Average rainfall in five months is 14.54 inches.

Rain was recorded on 13 days during the month, with the heaviest readings the 1.40 inch on May 17 and 1.20 inch on May 12. The gauge maintained by the U.S. Army Corps of Engineers at the Chain of Rocks canal locks is read each morning at 8 o'clock.

Other rainy days last month were May 5 with .25 inch; May 11 with .55 inch; May 16 with .55 inch; May 20 with .20 inch; May 25 with .01 inch; May 27 with .32 inch and May 28 with .91 inch. Traces, less than a hundredth of an inch, were recorded on May 6, 11, 14 and 26.

The area's precipitation, by months follows: January, 1.46 inch; February, .31 inch; March, 5.32 inches; April, 2.62 inches and May, 5.26 inches.

Change In Tavern Bond Surety Pending In GC

An amendment to the Granite City Municipal Code section pertaining to alcoholic liquor dealers to permit individuals to be sureties for the \$2000 tavern license bond was proposed Monday night by Alderman Edmund Bartosiak, who is deputy liquor commissioner for the city.

The code now requires corporate sureties for which tavern owners are required to pay a fee to a firm specializing in bonds. Bartosiak pointed out the operators could save the fee if the city changed the code, and he added that the mayor, who is liquor commissioner, and the city clerk were not aware of the corporate requirement.

A \$2000 bond is required by the city with the issuance of a liquor license.

City Atty. George Flicoff Jr. pointed out that problems arise when individuals are permitted to sign the bonds. He said that he had discovered instances where the individuals on tavern bonds had died or sold their property and moved out of the city.

He advised the council that frequent reviews of such individual bonds would be necessary to keep them up to date. All such bonds are subject to the approval of the council and the mayor.

Bartosiak pointed out that bonds signed by individuals had been permitted in the past. The municipal code was adopted in 1959.

Attorneys To Debate Proposed Amendments

Madison county lawyers will consider three proposed amendments to the U. S. Constitution at a meeting of the County Bar Association June 26 in the county courthouse at Edwardsville.

Under the three amendments, the states could initiate and ratify amendments to the constitution without federal action, remove jurisdiction of the federal government over appointment of seats in state legislatures, and create a super-supreme court composed of some of the state supreme court justices which could overrule the U. S. Supreme Court.

Illinois already has approved the first of the three, and 16 states have approved all three. Dick Mudge, state attorney and association president, has called for a full meeting of the membership as a full debate is anticipated.

Donald Rickli of Highland, a member of the Bar's judiciary committee, is to provide members with full information on the amendments. Mudge may ask the State Bar Association to place the amendments on its agenda at its annual meeting June 19-21 at Aurora.

Careless Driving Charge
Robert T. Schumaker, 36, of 1316 Edwardsville road, was charged with careless driving at 2:30 p.m. Tuesday after his auto ran into the rear of a car owned by David J. Moss, 2012 Twelfth street, at that address.

Podner, Popovsky In Illinois College Class

Two local youths are among 85 Illinois College seniors who were graduated in exercises Monday.

They are John Podner, son of Mr. and Mrs. John T. Podner, of Rural Route One, and Victor George Popovsky, son of Mrs. George Popovsky, 1420 Madison avenue.

Podner, an English major, was elected to Phi Kappa Kappa in his senior year. He was a member of Hilltoppers, a drama organization on the campus, for four years, has been on the dean's honor list for seven semesters and has been an English assistant for three years. He plans to enter graduate school next year to prepare for a teaching profession at the college level. Popovsky is a psychology major.

GUEST FROM CALIFORNIA
Mr. and Mrs. Oliver Emmerson of East 23rd street had as weekend guests Mr. and Mrs. William Emmerson of Cuba, Mo., and Mr. and Mrs. Millard Davis and son of Pine Lawn, Mo. Also a Sunday guest was Mrs. Matilda Richardson of San Diego, Calif.

VISIT IN MISSOURI

Mr. and Mrs. John Thompson, Mrs. Maule Carter, Mrs. Wilda Clemens and children, Carol Ann and Becky, Mr. and Mrs. Wayne Smith and daughter, Peggy Sue, Mr. and Mrs. Loren Robinson and children, John and Brenda, and Mr. and Mrs. Alvie Thompson and children, Timmy and Susan, spent the weekend in Wilderness, Mo., attending a basket dinner and cemetery decoration.

Fails To Yield
Anna L. Beger, 61, of 2227 Benton street, was charged with failure to yield the right-of-way at 11:40 a.m. Tuesday after she was involved in an accident with a Checker cab driven by Andrew Rogers, 23, at 26th and Iowa streets. She had made a stop first, police said.

RETURN TO WEST COAST
Mr. and Mrs. Everett Pierce and children, Lynette and Bobby, of San Francisco, Calif., and Mrs. Juanita Martin of Sisters, Ore., left Monday after visiting for several days here with relatives.

KICK BACK
Usually the man who lends his influence on any matter expects big interest on the loan.

Scaffold Taken

American Rentals of the 1800 block of Cleveland blvd. reported to Granite City police at 9:30 a.m. Tuesday that a 6½ by 7½ foot steel tubular scaffold, which had been rented to the new Travelodge motel, was stolen during the weekend. It had been left on a lot at Clyde's Paint Co.

Remains To Be Identified
The remains of a man who was killed in a crash landing of a small plane at 11:40 a.m. Tuesday after he was involved in an accident with a Checker cab driven by Andrew Rogers, 23, at 26th and Iowa streets. She had made a stop first, police said.

C-1 Zoning Sought For 2057 Johnson Rd.

A request for a zoning change from R-3 multiple family dwelling zone classification to C-1 commercial for a lot at 2057 Johnson road was presented to the city council Monday night. The request, submitted by John Sabel, local realtor, was referred to the Plan Commission for recommendation. It was reported Sabel plans to erect a building on 50 feet of the 85-foot right-of-way, which could eliminate the job at Clark avenue. The same condition exists at Fenton road where the Washburn avenue right-of-way is narrow for a block distance.

Granite City PRESS-RECORD

the city for the extension of the Washburn avenue parkway to Johnson road. No purchase price was set.

Council members discussed the possibility of eliminating a hazard along Washburn between Clark avenue and Johnson road by removing the west curb. With the 35 feet, the city would have an 85-foot right-of-way, which could eliminate the job at Clark avenue. The same condition exists at Fenton road where the Washburn avenue right-of-way is narrow for a block distance.

Ancient Indian Sites Surveyed By Larry Bowles

Larry Bowles of Granite City, a graduate student in anthropology at Southern Illinois University at Carbondale, will spend the summer making surface surveys of archaeological sites in the flood area of the proposed Rend lake in Jefferson and Franklin counties.

He has spent part-time at the work this spring. The job of surveying the proposed reservoir before selection of sites for excavation is about half completed.

Almost 100 sites have been surveyed in the past two years.

A report on the location, survey findings of Indian relics and directions for finding the sites has been prepared for the National Park Service which has provided funds for the explorations.

Some of the sites examined by Bowles were settled Indian villages, others apparently temporary camps. Many appear to be of the time of the Woodland culture, roughly 2000 years ago.

While others may date back to the Archaic period, about 4000 years ago.

Amateur archaeologists have but museum archaeologists have the opportunity to explore and artifacts—flint chips, projectile points, pottery.

Perry TAYON JR., son of Mr. and Mrs. Perry TAYON, 3149 Felling road, leaves Saturday for Parsons College, Fairfield, Iowa, where he has received a full tuition academic scholarship. He is a member of the National Honor Society, also with an Illinois state scholarship and will be graduated tomorrow evening from Granite City high school.

Plans for Girl Scout Camp Sessions Told

Plans for two 12-day session of Girl Scout camp at Camp Oustong, Pere Marquette state park at Gratton, were announced today by Mrs. Richard Chrysler, camp director for the River Bluffs Girl Scout Council.

The sessions are set for July 6-18 and July 19-31, and both are filled.

The plans utilize Mrs. Chrysler's experiences of Girl Scout camping in Spain, Switzerland and Germany, and the international aspect of Girl Scout camping will be emphasized.

The program will include a "Jungle breakfast, a wide variety of games, an art-and-crafts show on Whistler's birthday, a camp log of contributions from each unit and imaginative activities and events suggested by the camp council.

The business manager of the camp is Mrs. Louis Barre of Belleville. There are no staff members this year from the Quad-Cities.

Area before it is flooded, thereby preserving valuable records of pre-historic civilizations in southern Illinois.

School Paper Profits

The accelerated eighth grade class of Central Junior High School, which publishes the Central Post, has purchased a portable typewriter for the school from profits on paper sales.

The students, who sold their paper for a nickel, netted about \$60. They made the same amount last year and purchased a portable television set for the school.

In charge of the paper was Richard Strong, editor-in-chief. The faculty advisor is Jack Mulach. The students published news of the school and their own reporting, editing and typing. They had their own cartoonists.

News items ranged from sports to speech. There were deadlines to meet. The paper was mimeographed after stencils were typed. They bought their own supplies, and after buying the new typewriter, a little money was left for a start on next year's Post.

It was an extra-curricular activity for the advanced students who had to maintain their

studies and other school activities. On the staff were Linda Allen, Alta Whiting, Susan Boyd, Fred Brecht, Connie Castleton, Margaret Cawley, Lois Porter, Mary Frazier, Eric Gardner, Janice Hinkley, Frances Hook, et al. Jane Johnson, Pat Kinkel, Maybell Lee, Ray O'Beir, John Perry, Gloria Reese, Sara Rivenburgh, Cynthia Settlement, Kathy Singleton, Jim Stuart, Fred Touse, Larry Waitakatis, Larry Wood, Glenda Wyatt and

Come hill... or high water

Vacations go smoother in a Chevrolet Corvair

Bring on those mountains! They're not so high and mighty when you've got Corvair's gutsy six and rear-engine traction working on them.

You scurry up the meanest grades. You move with sure-footed agility on wet pavement, muddy lanes, gravel and other would-be miseries.

And with most of Corvair's weight on the rear wheels, you have easy steering, too. Fact is, the handling's so light and responsive we don't even offer power steering for the car.

And there's more to feel good about. No problems with your radiator boiling over or going dry, because there's no radiator. Corvair's engine is air cooled. No concern about brake adjustments, either, because the brakes adjust themselves. Nothing much to think about at all except the good time you're having.

Like to do that in a sporty bucket-seated Monza Club Coupe or Convertible? Like to spring into summer with a 4-speed stick shift* and Spyder package* with its 150-hp Turbocharged engine? Your dealer's got just the Corvair and the Trade 'N' Travel deal on it to put you in a holiday mood.

Bus And No-Parking Zone Needs Studied

Requests for a bus zone on Delmar at 24th street and a 23-foot no parking zone on 19th street at the Union Star and Refining Co. were taken under study Monday night by the Granite City council street committee.

The committee approved three other requests—for Southwest Bell Telephone Co. to drive a line under Johnson road to eliminate overhead wires in serving nine homes; a 30-foot driveway at Finley Plating Co., 1742 State street, and the covering of two parking meters Friday and Saturday at Leasing Department store, 19th and State streets, for a special promotion. The store presented the city with a check for \$110 to pay the meter fund.

Location of the bus zone at 24th street and Delmar avenue is to be determined by the committee. It was suggested it might be at the parkway.

Russell Stumpe of the Union Star Refining department submitted the no-parking zone request for the south side of 19th street from the railroad crossing, extending 237 feet west along the plant's dry starch warehouse. He said parking interferes with truck loading and the operation of lift trucks and switch engines.

At the recommendation by Edmund Bartosiak, 30-day notice will be given railroads to lower grade crossings on East 23rd street and on Lincoln avenue. He said the rails are higher than the street and create a traffic danger.

He instructed City Atty. George Filcoff, who had written the railroads several weeks ago, to advise them to notify the city in 30 days when work will be started or face a charge of creating a nuisance and a fine of \$30 a day for each day's violation.

Charged With Speeding

Two motorists were arrested Monday evening by Granite City police on charges of speeding. Harvey Huber, 30, of Hillsboro, posted his driver's license as bond after being arrested at St. Clair avenue while Vera Whyman, 37, of 536 Margaret avenue, posted \$11 bail. She was arrested at 25th street and Washington avenue.

NEW OFFICERS OF Quad-Cities Amvets Post 51 who recently were installed are, from left, front row—Leighton Taylor, commander; William Webb, first vice-commander; Robert Harrison, second vice-commander; and John McCord, third vice-commander; and standing—Edward Evans, public relations chairman; Floyd Tucker, adjutant; Charles Wilkins, chairman; Stanley Macies, provost marshal; Ben Sanders, finance officer; and Joseph Wickham, chaplain. Not present for the photo were Russell Walker, membership chairman, and Horace Calvo, lodge advocate.

NEW AUXILIARY OFFICERS OF Amvets Post 51 who were installed recently are, from left, seated—Mrs. Dorothy Melvold, chaplain; Mrs. Nadine Harrison, senior vice-chairman and child welfare officer; Mrs. Bertha Macies, president; Mrs. Mary Hansline, hospital chairman; and Mrs. Jewel Taylor, membership chairman; and standing, Mrs. Ann Tucker, secretary; Mrs. JoAnn McCord, entertainment chairman; Mrs. Pauline Wickham, public relations chairman; Mrs. Charleen Sanders, treasurer; and Mrs. Nadine Summers, junior vice-president.

Architect Picked For W. Side Fire Station

Granite City's budget for 1963-64 will determine if a new fire station is to be built in the near future in West Granite.

Selection of an architectural firm was announced Monday night by Alderman Ford Johnson, chairman of the Fire Committee, who said Gabriel & Dulgeroff will do the job for a 6% fee.

The firm was approved by the council, pending action to include an amount in the new city budget which is to be prepared for adoption next month. The city is to decide if the present West Granite station at Rock road and Cayuga street is to be razed for construction of a new building. Johnson said he did not know yet what size building would be erected. Nor did he have a cost estimate.

Two-Auto Collision

Autos driven by Gordon M. Reinhold, 40, of 2573 Spalding avenue, and Linda Taylor, 16, of 2418 Ohio avenue, were involved in a collision Monday on Madison avenue at the hospital as Reinhold was going north and the Taylor auto was being driven away from the curb. Police said no one was hurt.

'Music Under The Stars' Rehearsals Begin Tuesday

Rehearsals will begin Tuesday for three separate choruses which will have roles in the presentation of four "Music Under The Stars" outdoor musicals and programs in Wilson Park this summer.

A new fifth-sixth grade chorus will meet for the first time at 10 a.m. Tuesday in the vocal music room at Granite City High School. The chorus has rehearsals scheduled each Tuesday and Thursday at the same hour.

A junior high chorus group will hold its first rehearsal at 9 a.m. next Tuesday at the same location, with regular rehearsals scheduled at that hour each Tuesday and Thursday. Students in the seventh through ninth

grades this year will make up the junior high chorus.

Tuesday and Thursday rehearsals are planned for the adult-senior high school chorus group, the first next Tuesday night at 7:30.

Warren G. Simpkins, vocal music instructor at the high school, will be in his office at 1504a Delmar avenue at 7 p.m. Tuesday and Thursday.

All real estate has been re-assessed this year, and Cruse is conducting conferences to permit individuals to go over the new values placed on their property before the figure is entered in tax books for next year's tax collection.

Cruse now is in his second week of interviews for residents in Granite City.

Next week's interviews are for property owners in Central Place, Palmer's addition, Morris addition No. Two, the original plat of East Granite, East Granite first and second additions, Eastmoor, Liberty Park, Webster school additions Nos. One and Two and Northlands, and Washington Blvd. first and second additions from East 28th street to East 23rd street.

Scheduled for other areas of the city will be announced later.

Toastmasters' Award Won By Charles Youngs

Charles Youngs, speaker on "Longing for the Old Days," won the top award at Monday night's meeting of the Granite City Toastmasters Club, held at Roden's restaurant.

Earl Lee was the other speaker, choosing "Chance of a Lifetime" as his subject. Toastmaster was James Dimitroff, and the general evaluator was Herman Grove.

Nine members participated in the club's table topics session, discussing the accomplishments of the late Pope John. The "best" award went to club President Herman Mueller, and the "grunt" award to Harry Fechte.

SOCIETY

St. John Guild To Aid Chinese Child

St. John Church Evening Guild held a regular monthly meeting Monday evening, with Mrs. George Surber, spiritual life chairman, giving the devotion entitled "A Laugh From Within."

A white elephant auction was held at the close of the meeting with the proceeds to be used to help support a needy child in Hong Kong.

The birthday of Mrs. Jane Kennedy was observed, followed by a brief business meeting. Mrs. Eos Rittenhouse, president, was in charge and held an election for a new vice-president, who will take office in the fall. Mrs. Thelma Jacobsmeier was elected. An amendment to by-laws was also approved during the meeting.

Mrs. Wilma McQuinn, Christian Service chairman, spoke on a recent trip she made with her husband to Washington D.C., as lobbyists for the Transmex Union.

Refreshments were served by Madam Surber, Justine Walker and Jesse Ogden. There will be no meetings in July and August but a family picnic at Wilson Park is planned for Aug. 26.

Elkettes Meet At Army Depot

The Elkettes entertained approximately 60 members and guests at a dinner meeting, Tuesday evening. The dinner was held in the Officers' Club at the Granite City Army Depot.

Mrs. Helen Todoroff, president, introduced the guests, Mesdames John Ansley, Louise, Ella Mae Curtis, Peggy Moore, Aileen Smith and Mildred Talley.

Col. John Ansley, depot commander, was the guest speaker and he presented color slides of the depot, as part of his program.

The president then announced Mrs. Bernice Grimm and Mrs. Ruth Geroff will be the hostesses for the Elkettes card night.

Games were played with the prizes awarded to Mesdames Alice Elzeder, Arlene Jones, Margaret Willmick, Thelma Ruppel, Bess Weiss and Helen Frenkel.

The next regular meeting will be July 1.

Past Matrons 650 Close Season

The Past Matrons OES, Granite Chapter 650, were entertained, Monday evening, in the home of Mrs. John Haubig, 2206 St. Clair avenue.

Mrs. Mary Ellen Lewis, president, conducted a brief business meeting, with 17 members present. The members decided to adjourn for the summer months.

Following the meeting, games were played with the prizes going to Mrs. Hannah Klein, Schmidt, Mrs. Garnet Kelso and Mrs. Esther Magness. The traveling prizes were won by Mrs. Virginia John and Mrs. Florence Spahr.

The hostess served a dessert luncheon to the members and one guest, Mrs. Ida Zimmerman. Mrs. Bessie Henley invited the club to her home for the September meeting.

5 Topics To Be Discussed At Port Data Session

Five topics will be covered by experts in fields of water transportation at next Tuesday's Port Information Program, sponsored by the Tri-Cities Chamber of Commerce.

Interested persons are invited to attend the 90-minute program and dinner meeting to be held at the Sunset Hills Holiday Inn, arranged by Carl A. Ranft, chairman of the Tri-City Regional Port Authority.

Featured will be officials of the Chicago Association of Commerce and Industry and the Tri-City Port Authority. They will present detailed descriptions of the facilities and services available at the Port of Chicago and the Granite City Port and the best use of water transportation from the Quad-Cities to Chicago, the St. Lawrence Seaway and Europe.

Invitations have been sent to over 250 manufacturers, traffic managers, utilities and industrial development groups. The cost of the dinner will be \$5.50.

\$6000 Borrowed For GC Town Fund —\$815 Balance

A \$6000 tax anticipation warrant for Granite City township town fund was approved Monday night by Granite City council members in their capacity as the town board of auditors.

The resolution for borrowing the \$6000 from Granite City Trust & Savings Bank at 4 1/2 percent was presented by Town Atty. George Moran on behalf of Supervisor Nelson Hagman.

The supervisor's monthly financial report showed the town fund had \$4894 disbursements in May, leaving a balance of \$2248 on May 31. Bills for June, approved Monday night, amounted to \$1433, cutting the balance to \$815.

Delay In New Taxes
The delay in raising new taxes resulted in the issuance of the first tax warrant for the town fund, Moran explained. The fund disbursements of \$1433, included \$162 half-month salary for Hagman, \$300 for Assessor H. Von Dees, \$220 for Chief Deputy Assessor Mrs. Margaret Hornberger, \$16 for office, \$75 assessor office rent, \$26 for utilities, \$48 for four deputy assessors and \$183 as the township contribution to the Illinois Municipal Retirement Fund.

In the general assistance fund, the May disbursements amounted to \$4118, leaving a balance of \$7370 on May 31. Expenditures approved Monday night amounted to \$3588, cutting the balance to \$3802.

These expenditures were \$475 for food, \$347 for medical care and glasses, \$185 for rent, \$3 for utilities and \$15 for office supplies. The May disbursements for the fund amounted to \$75 for office rent, \$13 for office utilities, \$45 for janitor service, \$487 for month salaries for three employees and \$8 for miscellaneous supplies.

Moose Lodge To Attend Mooseheart Family Day

Twenty-eight Moose members and their families from the Loyal Order of Moose Lodge 272, are planning to attend Mooseheart Family Day at Mooseheart, Ill., on Sunday.

Harold Harris, governor of Lodge 272, announced a chartered bus will leave from the Moose Home, 1906a State street, at 11:30 p.m. Saturday, to arrive at Mooseheart at 7:30 a.m. They are taking picnic lunches for outings on the Child City campus.

Members of the Moose Lodge delegation may attend either Catholic or Protestant church services at the Mooseheart House of God during the morning. Later they will be escorted on tours to include the House of God, Baby Village, schools, shops, student residents, Archives Hall, which is the museum of Moose history.

Contract Talks Begin Between SIBA, Unions

Preliminary negotiations between the Southern Illinois Builders Association and most of the basic trade unions are getting underway, Harold Gangnath, executive secretary of the SIBA, announced today.

Contracts, most of which were for three years, will expire July 31 or Aug. 1, he said. Unions involved in the talks include Laborers, Carpenters, Ironworkers, Cement Masons and Plasterers. "It is too early to get an idea where we are," Gangnath said. The SIBA represents contractors in the Quad-Cities and in southern Illinois.

SWIU Seeks Bids For Water Generators

Bids are to be received at the Quad-City-Edwardsville campus of Southern Illinois University until 2:30 p.m. June 25 for furnishing and installation of two 40,000 btu per hour high temperature water generators complete with auxiliaries.

The bids are to be opened at that time. The auxiliaries, including gas and oil fired advice and combustion controls, are to be installed in a heating and refrigeration building to be constructed by other firms on the new campus.

11 SWIU Students Complete Teaching Assignments Here

Eleven Granite City area residents are about to complete a quarter of student teaching in public schools near Southwest Illinois University's Quad-City-Edwardsville Campus. They are among the 101 SWIU students performing the one-quarter teaching assignment to fulfill a requirement for the Illinois teaching certificate, spending at least three hours a day, five days a week in the classrooms of their cooperating public school teachers.

Those from Granite City are Orland Dee Haun, 2906 Lynch

avenue, teaching physical education in Alton's East Junior high school; John Haug, 2415 Logan street, social studies in Alton's Junior high; Fawcett Pyle, 3124 Princeton drive, English in Granite City senior high; Virginia Kessler, 2902 West 20th street, second grade in Nameoki school; Norman Grote, 2420 Illinois avenue, physical education in Prather Junior high; Roy Mank, 2219 Delmar avenue, social studies at Prather; Elynn Mae Curtis, 4005 Kirkpatrick Homes, kindergarten in Webster school; Joyce Stewart, 2201 Cleveland blvd., fourth grade in Washington school; Betty Grote, 2701 Denver street, business in Madison senior high school; and Kenneth Spaulding, 2900 Faith avenue, geography in Edwardsville high school.

Granite City public schools are cooperating with the SWIU in the teacher training of eight students this quarter.

Former GC Officials Continue Attendance

Keeping tabs on Granite City council members are three former city officials who have been attending the sessions.

On hand again Monday evening to watch the new council in action were two former aldermen—Estill V. Schmittow of the First Ward and Samuel Shackerford of the Sixth Ward—and retired city treasurer Frank Sappington.

Alderman Sets Precedent—\$16 Allowance

A precedent was set during Monday night's Granite City council session.

An alderman submitted an itemized list of his monthly expenses for an allowance that did not add up to the exact \$30 figure.

William McGee, new Sixth Ward alderman, listed his expenses during May to total \$16.58.

He listed a trip to St. Louis to interview engineers for pollution abatement on May 17, 18 and 19, \$12.26; bridge toll, 25 cents; a trip to Springfield to the state Sanitary Water Board office May 29, 170 miles, \$11.80; parking charges, 40 cents and miscellaneous mileage, 14 miles, 98 cents.

The usual aldermanic listing has been, "oil, gasoline and incidentals, \$80."

\$101 Itemized By Mayor Mayor Davis on the same bill itemized his expenses, May 1963, \$101.51. He withdrew another expense of \$15 for two reservations for Tuesday's Tri-Cities Chamber of Commerce "play day," saying he would add it to his regular expense allowance; and his \$597.29 bill for round trip air transportation from St. Louis to Honolulu, Hawaii, was voted down by the council.

The total bill list, minus the \$15 and \$597.29, total \$31.84, and was approved.

\$80.656 Payroll In addition, the half-month payroll for the first half of June was approved, amounting to \$80.656. It included \$56 holiday pay for Memorial Day police and firemen.

Among the other items on the bill list was a payment of \$163 to City Atty. George Filcoff Jr. for expenses from March through May involving suits against the city.

Leo Kamadulski was paid \$185 for cutting weeds May 25-30; and \$427.88 was paid to Herman Mueller for a workman's compensation policy, East St. Louis & Interurban Water Co. was paid \$1497 for services to the city including \$1455 for the May rental charge on 348 fire hydrants.

Largest items on the bill list were two payments from motor fuel tax funds—\$11,813 to National Power Rocking Co., Chicago, for sewer cleaning work done under estimate No. 3, and \$11,724 to A. H. Seebold Co. for work done under estimate No. 2 for 58 QCS, a street project on Marshall avenue.

Maintenance, fuel and parts for city equipment cost \$805.

After approving the bill list, the council also voted its approval of payment of \$12,291 to

United Disposal Corp. for May garbage and trash pickup. The payment had been separated from last week's bill list and never was voted on separately. Opposing the payment Monday were Aldermen Partney, Boyd, Dallas and Moerlein.

Miss Karandjeff To Work In Missions

Miss Judy Karandjeff, daughter of Mr. and Mrs. Harold Karandjeff, 65 Oaklawn, will be one of 28 students working in various St. Louis National Missions, as a volunteer worker, under the auspices of the Board of National Missions of the United Presbyterian Church.

She has been assigned to Cote d'Ivoire, Presbyterian Church.

Cochrane Sells Homes

at 4673 Lahadie avenue, and will work in general recreation programs, training adults and seniors for leadership, and some visitation programs.

Miss Karandjeff will be part of a short term volunteer service corps along with senior high school students who will take part in work camps and college-age volunteers who work in missions in low-income communities, teach vacation church schools, promote craft and play programs as well as recreation programs for teenagers. These students will also assist in church-sponsored programs and aid churches with renovation programs. This program is carried out in the United States as well as overseas.

GO TO CHURCH SUNDAY

Church Names New Lecturers

The First Church of Christ, Scientist, 2560 Delmar avenue, has notified this week that two Chicago men were named official lecturers on Christian Science at the church's annual meeting which began Monday in Boston.

The Christian Science Board of Directors announced that Paul A. Erickson, Aurora, and Roy J. Linnig, Chicago, will serve on the Board of Lectureship. Both gave up business management positions following World War II to devote full time to the public practice of Christian Science healing.

Erickson, a native of Aurora and member of the First Church of Christ, Scientist there, served as a chaplain's assistant at the U. S. Naval Academy, Annapolis, and recently became an authorized teacher of Christian Science.

Linnig, who studied piano at the North Shore Conservatory of Music, was a wartime Coast Artillery Corps captain. Born in Peru, Ill., he is a member of the Deerfield First Church of Christ, Scientist.

In their new positions, they will be called on to present talks to community audiences throughout the U. S. and other countries.

Several thousand members from all over the world heard annual reports from church departments including religious activities and interest among young people. Sessions were held at The Mother Church.

Larger numbers of high school and college students are attending church lectures, applying for membership, subscribing to The Christian Science Monitor and sending in their own articles to religious periodicals, it was reported. Among the outstanding spiritual healings reported at the meeting were some by Sunday school students.

Establishment of a Christian Science Society in Bangkok, Thailand, was cited as one of the latest additions to the church's more than 3200 congregations.

In an annual message to the meeting, The Christian Science Board of Directors described major distresses in the world as

"symptoms of a drying-up of outgoing love." They called for a "compassionate, outreaching love for mankind" as the basic remedy.

Climate For Solutions

The retiring president, Ralph E. Wagers of Chicago, also emphasized the importance of responding to the "impulse of divine love." He said it would help to bring the "spiritual climate" in which all the great problems of the world can be solved.

Mrs. Helen Wood Bauman, new Christian Science president, said, "The self-centered, human-centered tendencies" must give way to a "divine energy," she said, "to an energy that Christianity holds within itself," always drawing men back to the simple teachings that make Deity "the focal point of love and interest."

Such worship "acknowledges God as the only source of intelligence and skill, and inspires men to love Him with all the heart and soul and mind and strength," she said.

"The God-centered thought is constantly refreshed at the fount of intelligence and love." "When God is fully understood as underlying all constructive developments, when He is seen as sustaining all progress," then will all men "delight in turning to Him," declared the new church president.

"All that is worth possessing, on property."

LECTURERS named by the Christian Science Board of Directors this week are Paul A. Erickson (left) and Roy J. Linnig (right).
